TERM 3 ENDS
Thursday 24 September
TERM 4 COMMENCES
Monday 12 October

Adam Road Primary School

☎ 9796 3000

Hotchin Street, Bunbury WA 6230

Email adamroad.ps@education.wa.edu.au

www.adamroad.wa.edu.au

FROM THE PRINCIPAL'S DESK

To give parents and carers the opportunity of seeing school work and activities completed by their children this term, we are using the Seesaw app to send work samples home electronically.

We would normally have an Open Night at the end of third term where you could visit the school to do this, but with some COVID 19 restrictions still in place we have chosen this new format for this year.

As term three draws to a close we are busy planning for the fastest term of the year, Term 4. We plan on conducting our

normal Term 4 activities including assemblies, sports carnivals, graduation and final awards assembly. As it is likely the Premier will announce new COVID guidelines early in fourth term we will then determine how we will manage attendance at these events. As soon as this is done we will inform everyone. Fingers crossed that we are able to finish the year off, as we normally do, with lots of community support and attendance at the events where we celebrate the achievements of 2020.

GUY ASSER
PRINCIPAL

MATHS CHALLENGE

**Adam Road's
first Platinum
award winner.
Congratulations
Dot!**

Year 1-6 students are now participating in a weekly maths challenge, focusing on mental computation and quick recall of basic facts.

Each week the students focus on a different concept, including addition, subtraction, multiplication and division. The determination shown has been fantastic to see, with students challenging themselves to master their level within two minutes in order to receive a certificate.

P&C NEWS

Last Wednesday, we held our Term 3 meeting. We achieved a quorum and made some effective decisions.

We pledged \$3,000 towards purchasing Australian Standing Order books for our library. We also agreed to support Adam Road to enhance learning through technology by donating \$10,000 to update their existing iPads.

We are easing back into fundraising with a Pyjama Day dress up on the last day of term 3. Booklists are being finalised and we are giving our parents and carers the choice of an easy donation to the P&C from the booklist. There will be a voluntary option of donating an amount of \$5, \$10 or \$20 to the P&C. We also discussed opening the Uniform Shop before school goes back, and hope to confirm times at the next meeting.

Potential future treasurers will be happy to hear that the P&C is purchasing MYOB to make the treasurer's role and the running of the uniform shop, canteen and fundraising easier. Our future meetings are also easier to access, especially for those who cannot leave the house in the evenings. We are going onto Zoom. Please email us to join in at Adamroad.ps.pc@hotmail.com

Our next meeting is Wednesday 18 November at 6.30 pm on Zoom.

A big thank you to Sonia McNab, Sarah Hatherall, Veronica Martin, Heidi Stewart, Kylie Webster, Guy Asser, Natalie Veart, Scott Gordon, Philippa Woods and Laura Sciesinki who gave up their time to attend the Term 3 meeting and help make decisions for the P&C.

Sonia McNab
P&C President

ART ROOM NEWS

It's been a busy time in the Art room these past few weeks.

Year 1 have been recently looking at Vincent Van Gogh's Sunflowers and have been working toward making a collaborative version of this famous artwork in lots of sunny warm colours.

Year 2 have been busy with clay Donatello inspired Lions and pinch pot bowls. They are now trying their hand at some basic weaving to create a decorative "God's Eye" design.

Year 3 have used traditional rectangle looms and will design and create a Curious Creature on their woven bodies to celebrate Book Week 2020.

Year 4 have made foam prints of fish with expressive lines and eyes. They are also creating Cats in the style of Laurel Burch and Impressionist flowerpots in the style of Berthe Morisot.

Year 5 students have created circle looms on paper plates and will weave their way to large expressive flowers

Year 6 students have created some fantastic art based on the light shows cast onto the Notre Dame Cathedral. Room 18 have been working hard to finish their puzzle pieces which will eventually decorate the Children's Ward at Bunbury Regional Hospital.

Room 12 Laurel Burch cats

Room 13 circle weaving

The Art Room is looking for donations of the following items if you have surplus at home...

- Wool or yarn, the more colourful the better (we have made a dent in our supplies recently)!
- Any nuts/bolts/washers etc
- Stockings
- Forks
- Cereal boxes
- Doylies

Room 6 "God's Eye" weavings

Berthe Morisot Flowers by Room 11

Year 1 ceramic flowers

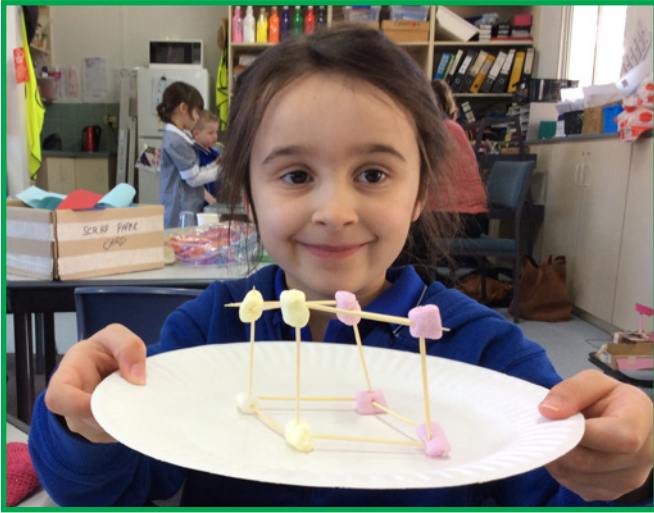

Room 12 coil bowls

Rooms 19 and 21 Notre Dame Cathedral at night sketches

STEM IN THE EARLY YEARS

CRICKET CLINIC

Community Cricket Officers from the WACA visited our school on Wednesday 9 September to run a before school cricket clinic. Local teams are now looking for new players for the coming season. We have more information available in our front office.

THE RIGHT ANGLE

John, Jo and Chris have seats for the movies.

In fact, their seats are F5, F6, F7.

How many ways can they sit in those seats?

Extension: F8 is also free. How many ways can they sit now?

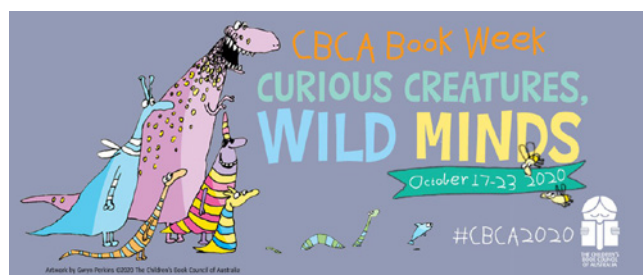

Bad Maths Joke: I ordered takeaway for dinner last night. I ordered a 23, a 13, a 31 and a 79. Unfortunately, I had to take them all back. They just tasted odd.

Take some photos while you're working it out. If you email them to adamroad.ps@education.wa.edu.au, you may make it into the next newsletter!

A big thank you to everyone who supported the Give-a-Damn, Give-a-Can Charity. You can see from the photo the overwhelming response we received.

BOOK WEEK

Each year, school and public libraries across Australia celebrate Children's Book Week. The aim is to encourage a love of reading and promote quality literature for young Australians.

Shortlists of recently published books are nominated and on the Friday before Book Week, the Book of the Year and winners in various categories are announced. These shortlisted books are on display in the library and teachers will be reading them to classes during the term. The theme for this year is 'CURIOUS CREATURES, WILD MINDS'.

As part of our celebrations we will be holding a Book Week character parade in week 2 of Term 4 for all students K – 6. Students can dress as a character, author or a curious creature from a book. Students are encouraged to bring their book along to school with them if possible. Costumes do not need to be elaborate and can often be created from items already found at home. We are encouraging students to use their wild minds to create/design a costume.

WHAT'S BEEN HAPPENING IN JAPANESE?

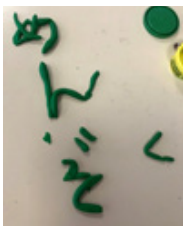

TAIKO-ON DRUMMING PERFORMANCE JAPAN

Thank you to the South West Festival of Japan for this amazing opportunity for our students. Also thank you to all the Adam Road Primary School students who supported the festival, so great to see you all there.

We have had a busy term three with many things happening in our Japanese Classes. Year 3s are continuing to learn Hiragana and practiced making the symbols with play dough. They also enjoyed icing their own Matcha Cup Cakes as part of our lesson on birthday invitations.

IN THE CLASS

Year 4s have enjoyed learning about school in Japan and discussing their opinions on favourite school subjects. As part of learning about Japanese school sporting clubs, students made cute sumo magnets and tried their hand at some sumo wrestling.

Year 5s have started to learn about Japanese food, ordering, restaurants and shopping. We focused on a very famous Japanese fast-food chain known as Mos Burger. Using their iPads, students were able to access the Mos Burger menu and worked out what delicious and unique burgers were on offer.

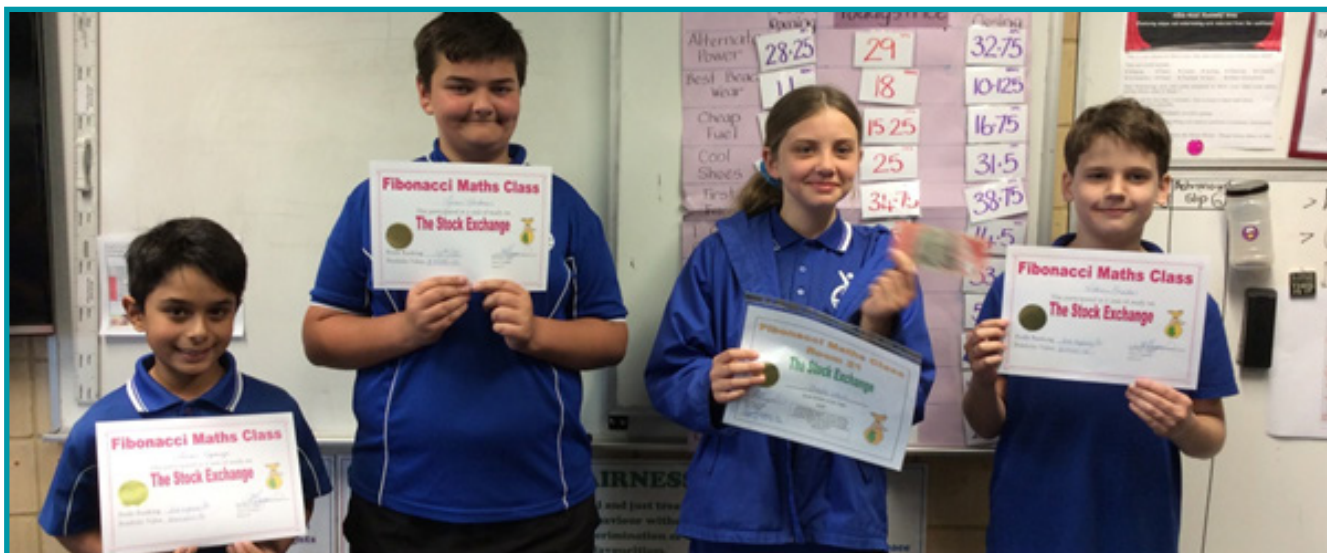

NIHONGO KURABU – JAPANESE CLUB

We have also been busy this Term in Japanese club making Japanese Paper Fans, Japanese Father's Day cards, mindfulness, Japanese dancing, anime and more.

Every Wednesday second lunch. All students welcome. Stay tuned for Term 4's program of activities.

STOCK MARKET CHALLENGE

Year 6 students in the Fibonacci maths class have recently engaged in a unit of study about the Stock Market. Students investigated Bull and Bear markets by buying and selling shares on a simulated Stock Market platform.

There were news articles which informed students about the impact of world events and how they cause fluctuation in the market. The whole event was exciting and students could not wait for the daily prices of shares to be put up on the board.

The winners of the competition were the students who had the most valuable portfolio at the end of the time period.

Well done to everyone. You did a fantastic job!!

Mrs Cogan

CONGRATULATIONS:

1st Place: Shaylie –
Portfolio value \$65106.24

2nd Place: Arman –
Portfolio value \$62462.75

3rd Place: Nathan –
Portfolio value \$59551.78

4th Place: Tyron –
Portfolio value \$59390.25

PUBERTY – HERE IT COMES!

Year Six students from Room 18 and 21 have engaged in a six-week study of Puberty.

Topics have included male and female reproductive systems as well as menstruation and conception and pregnancy. To conclude this informative and fun learning experience students participated in a quiz style, “Adam Road’s Got Puberty” event held in Room 14. There were four rounds of questions and the competition was tight!

The winners were; Table 9 with Emilee, Lauren, Riley and Tom

Second Place went to Table 1 with Marley, Ryley, Darci and Kayla

A great morning was had by all and students now feel armed with the facts before heading to high school. Great work everyone!

Mrs Cogan and Mr Gould

A message from Rhiannon & Phillipa

AFFORDABLE FUN!!

Want to get the shopping done quickly without the kids? **YES!**

Need some "quiet" time to get that study done? **YES!**

Struggling to get to and from school in time to pick up the kids? **YES!**

Need some YOU time? **YES!**

If you're eligible for 85% CCS, OSHClub will only cost **\$8.90** before school and **\$6.53** after school. Affordable? **YES!**

FULL fee WITHOUT CCS is only \$23 before school and \$33.90 after school.

Pop into room 14 next to the dentist and have a chat with us!

Or jump onto www.oshclub.com.au to make an enrolment for free!

OSHClub News

A POSSUM AT OSHCLUB!

Over the last 2 weeks we have had an interesting visitor returning to OSHClub! A possum! The possum came into our room seeking shelter after she was injured by a crow. We called Doreen Jones who is a local wildlife rescuer and she came to collect our possum. We were lucky to get to see Doreen and the possum and find out she had a tiny baby in her pouch! Doreen returned a week later with the possum to release her and unfortunately, she was injured again and hid outside our room. We watched her, scaring away crows that came near her. Luckily, Doreen was able to come and rescue her AGAIN and she was released on a wildlife carer's property in Busselton where they found out she actually had TWINS! A big thank you to Doreen Jones for all her efforts as well as Mrs Macquarie who came every time we called her for help!

Coordinator: Rhiannon Godber
Educator: Phillipa Woods
Our Service Mobile: 0421 705 749
OSHClub Accounts: 1300 395 735

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.
