## THE DESTRUCTION OF THE DEATH STAR

On Friday 1 June students from Room 21 engaged in a technological and digitally advanced problem solving activity. They learnt many things about the functions of computers and how they communicate with IP addresses, later using this knowledge to hack the Death Star codes. At first the process was slow, going on a page with passwords and entering one every 30 seconds. After a few minutes and a discussion Room 21 knew it was time for a change of methods. Using an app called "Hydra" students entered the IP addresses of the password list and a few other details and within seconds the app had found that person's password and given them their bit of the major code. Once they were all completed and entered we found that Darth Vader's secret password was MyFavouriteFoodiswarmapplepie. We entered the code into the Death Star system and watched it explode. Rooms from all over the school came to see! This fantastic lesson was only available because Mrs Cogan took extra care to develop an engaging, fun lesson for the Room 21 students!

# BOOK FAIR

Once more, our Book Fair has been a great success. Thank you to all the families, students and staff for supporting the Fair, we hope you are enjoying the new books you bought.

With your help we have raised a very impressive \$1500.00 to buy new books for our library. Look out for the new books which will be available for loan very soon!

Thank you to the Godfrey Family for your generous donation of books to our Library. To all the Cashier's; Mrs Loxton, Ms Forooghi, Mrs Spencer, Mrs Knight, Mrs Smedley, Mrs McGeoch, Mrs Old, Mrs Hunter, Ms Cowlshaw, Mrs Sciesinski, Ms Edwards and Mrs Franco thank you, your help was most appreciated. Special thanks to Ms Pringle for helping to set up the Fair. An extra special thanks to "Geronimo Stilton" for coming to visit!

Colouring competition entries are displayed in the library. An outstanding effort by all participants! Entries are too numerous to mention, but all received a prize. Congratulations!

Room 13 were excited to look at some of the new library books from the Book Fair!

# BOOK FAIR

# FROM THE PRINCIPAL'S DESK

## Thanks to Mrs Taylor and her band of volunteer parents and staff members who ran a very successful Book Fair in our Library last week.

As a result of this we have \$1500.00 worth of new books in our library. Another benefit is that many homes now have new books on their shelves for students to read.

The winter weather has well and truly arrived so it is timely to

remind everyone of the extreme care needed around our school. No matter the weather please adhere to all signs when either parking or bringing children to and from school. Wet conditions and students running to cross roads can be a very dangerous mix, please take care.

Recently Room 12 entered the City of Bunbury's 2018 Waste Truck Art Competition. The children were educated on how the three rubbish bins in the City worked and what went into each bin. They then needed to create a poster that explained the use of the bins for residents. These posters were submitted to the Waste Truck Art Competition and the following students were finalists in the competition:

**Dylan, Ella, Jessica, Olivia and Phoebe.**

*Well done to all who created posters and participated in this community event.*

## 2019 ENROLMENTS ARE NOW OPEN

If your child is starting Kindergarten in 2019 (born between 1 July 2014 and 30 June 2015) or if they're changing schools to Adam Road Primary School (enrolling in Years PP to 6), applications for enrolments are now being taken at the school office. Please present your child's immunisation record and Birth Certificate at the time of application.

## DISCO

Thank you to all the students and parents who braved the cold and attended the first disco of the year! Thank you to the amazing volunteers who helped out on the night, your help was greatly appreciated.

## CANTEEN

A big thank you also goes out to the parents who have assisted in the canteen over the last two weeks. Assistance was required at short notice, to enable the canteen to function as normal so we really appreciate your time and effort.

	2.50pm Medal Presentations	

***Please note, there will be a change to lunch on this day with students eating at 12.15pm.***

The students have been training over the last 5 weeks, including running the course to familiarise themselves. All students will run; everyone will earn a point for their faction and a bonus point if they are wearing a faction t-shirt. Students have been taught to run at their own pace and may use a combination of running and walking. They can all complete the distance and have made good progress in training, which is very pleasing to see.

There will be medals awarded for 1st, 2nd and 3rd place and the first 5 runners in each age group will train for Interschool.

Below are maps of the course. **Please do not park on footpaths as they form the course.**

**Years 3 and 4**

**Years 5 and 6**

Good luck to everyone on the day.

### Program Update

**Hello Adam Road Families!**

**Last week we were busy learning about Ramadan and Reconciliation Week! Children made some beautiful crafts such as lanterns, colourful bunting, dot painting and we even made damper. We all enjoyed learning about both of these important events.**

**Over the last few weeks we have been planning on creating a new mural. The children decided to make an under the sea mural for our reading area. To create this mural we are in need of bottle lids (like milk or juice bottles). If you have any or are able to collect some to bring in to us we would really appreciate it! We are also in need of 1 litre bottles for one of the fantastic incursions planned for the fast approaching school holidays!**

**Our newest additions to OSHClub are tadpoles! We were fortunate enough to be given some by Ms Woods and will be watching them grow into motorbike frogs!**

**We hope you all enjoy the long weekend and we look forward to hearing what everyone got up to!**
