OPERATION WILDERNESS YEAR SIX CAMP

The troops were assembled into formation, read the request from our Prime Minister and away we went on "Operation Wilderness"... to seek out and rescue soldiers lost behind enemy lines ... as well as have loads of fun. The mission involved activities such as raft building, low rope challenges, crate climbing and shelter building, all of which required problem solving and team work. Meals were delicious and plentiful which kept the troops nourished and energised.

The evenings were spent on games in the hall, flying fox (trying to dodge the Drop Bears and possums) and whittling by the camp fire, listening to ghost stories which were so scary, beds needed to be pushed together so we could all sleep close and protect each other from "Forest" (the scientist from the cabin down the road). The mission was successful with all missing soldiers recovered. The platoon returned complete, without injury or loss and everyone had a terrific time.

Many thanks to Commander Cogan, Drill Sergeants Asser, Gould, Sheedy, Allen and Loxton for their military discipline and enthusiasm. Over and Out!

YEAR 6 CAMP

ANZAC 2018

The Adam Road 2018 ANZAC service was once again a moving and applaudable tribute to those who have made the ultimate sacrifice so that we may all live freely in this great country.

Our guest speaker Mr Tim Thomson from the Bunbury Branch of the RSL commented on the service and the beautiful wreaths. A testament to the hard work of our staff who spent time preparing the flowers. Thank you.

The Year six students gave stirring accounts of events from past wars which concluded in our School Captain's recitation of the "Ode to the Fallen."

Many thanks to those who attended our service and to those who contributed flowers for our wreaths. Thanks to Mr Gould and Mr Murphy for their assistance, a special thank you to Mrs Cogan for all her hard work in creating such a beautiful service and to the students of Room 21 for their ANZAC art installation.

Lest we forget.

READING CHALLENGE

Congratulations to the 112 students who read 36+ nights in Term 1. These students received a certificate and went into the draw to receive a book prize and voucher. 12 lucky students walked away with a voucher from either Xscape the Cape, Crocs or Bunbury Tenpin Bowling and a new book to get them started on the Term 2 reading challenge.

A big thank you to all the local businesses who have supported our reading challenge including: Xscape the Cape, Bunbury Tenpin Bowling, Crocs, Big W and Target. Book club rewards were donated to assist with the purchasing of books.

As this is a short term students need to read 32+ nights to be in the next draw. Parents, please make sure you sign your child's reading record sheet.

"Reading is important, because if you can read, you can learn anything about everything and everything about anything."

From the Principal's Desk

ANZAC Day is one of the most significant days on the Australian Calendar and each year we acknowledge this with a school service and students marching in the Bunbury Service.

Whilst always of a very high standard this year's school service was particularly moving and received high praise from visiting dignitaries and guests. I believe these older people are touched that the ANZAC message lives on through the younger generations. A very big thank you goes to Mrs Kaye Cogan who organises our school service. A feature of the service is the high standard of presentation by the students who run the program.

NAPLAN testing will commence in Week 3 for Year 3 and Year 5 students. All assessments will be completed online this year,

except for the Year 3 Writing Assessment which will remain in paper format. Information about NAPLAN Online can be found at www.nap.edu.au.

This term we have three teachers enjoying some long service leave. Mrs Murphy and Mrs McInnes are away for the full term, with Mrs Teela Whitburn working in Room 6 and Mrs Neeshia Delaporte working in Room 1 with Mr Ashworth. Mr Murphy begins his leave at the end of our second week and Mrs Christy Caddy will work in his classroom. I'm sure you join with me in welcoming these teachers to our school and hope that they enjoy their time at Adam Road.

TERM 1 SCIENCE HAPPENINGS

Year one classes explored snails.

Year 2 students have learnt about mealworms. We have conducted experiments on them and observed their rate of development through their life stages. Here we are performing a range of stimulus tests on our animals. No animals were injured during testing.

Many classes have keenly followed the development of the silkworms. This supports understanding development in life cycles.

Year 4 students have been watching the germination and growth of their bean seeds. They needed to record developments electronically and produce an electronic book.

Room 18,19 and 21 all constructed solar cars and then tested them on the corflute track. This required them to use their electrical knowledge, work as part of a team and look for variables which would improve the efficiency and speed of their cars.

BOOK FAIR

OUR ANNUAL SCHOOL BOOK FAIR IS BEING HELD THIS TERM IN WEEK 5 – MONDAY 28 MAY TO THURSDAY 31 MAY IN THE SCHOOL LIBRARY

Students will come with their classes to preview the Book Fair during Monday 28 May and Tuesday 29 May. Parents and family members are welcome to come to look and purchase books from the fair any time from 8.00am to 3.30pm Monday through to Thursday. Students may come before and after school to purchase books.

Book Fair provides a wonderful opportunity to purchase good quality books at very reasonable prices. It is a great chance to make purchases to be put away for future presents. Book Fair is the only fund raising venture that our school library holds; we hope to see you there. If you have some time and would like to help with our Book Fair, please see Mrs Taylor in the library or see the last page of this newsletter for more information.

iParent: take the new Screen Smart Parent Tour

Whether you're a parent, carer, grandparent, aunt, or uncle, it can be a difficult task keeping up with young people and technology, or even knowing when and how to start the conversation about online safety.

That's why we recently launched a new interactive self-reflective tool, [Screen Smart Parent Tour](#), to help parents and carers of 10 to 14-year-olds keep on track with online safety. The 'tour' offers practical tips and advice via six important online topics to help manage online issues if they arise.

[Take the tour here](#)

THANKS FOR STICKING TOGETHER!
The 2017 Woolworth's Earn and Learn Program equipment and reading books have been delivered.

Thank you to everyone in the community; kids, parents, grandparents, neighbours and friends. We have received goods to the value of \$1640.

Kids are you ready to floss, pop and dab? Get your dancing shoes on and come along to the first disco of the year. DJ Groovemaster will be spinning the tunes and will also have Gravity passes to give away. Hot dogs, cold drinks and some new glow products will be available to purchase. Parents needing a coffee fix, we will also have a coffee van set up. Children need to be supervised at these events so we ask that parents stay.

Adam Road OSHClub: Providing Before and After School Care

Program Update

Hello Adam Road Families!

Welcome back, we hope everyone had fun filled school holidays. As you might know we have pet guppies, but sadly they have had so many babies that we are running out of room for them all. Would you like some pet fish? We are giving some away to good homes so come in and ask us about them, they are easy to care for and fascinating to watch swim around!

This week we are preparing for Mother's Day by making lots of different crafts, cards, bracelets and bath bombs for all the special women in our lives. So Happy Mother's Day to all the wonderful women caring for children in their lives!

I would like to officially welcome Darcie to our Adam Road OSHClub family, she is now here to stay with us as the assistant and we look forward to getting to know her even more!

If you have any feedback for us we would love to hear it! Or if you have any questions feel free to pop in and see us or give us a call.

Your OSHClub Staff
Darcie & Rhiannon!
