FROM THE PRINCIPAL'S DESK

It is with great joy that we present our first Newsletter for the 2022 school year. Obviously, there have been some challenges to overcome in the commencement of the year with regards to our ongoing response to COVID-19 in our community. We expect to continue to put in place strategies as part of our planning, and I will provide a COVID update for families in the next 24 hours with regards to our continued responses in this space. I am determined for COVID-19 to not distract us too far from our everyday purpose and delight in teaching our students. Yes, it feels like it is looking over our shoulder in everything we do, but we know that for our students, routine, structure and maintaining a normal school environment is so important. We will continue our focus on our PBS values, and ensure that we continue as many opportunities as we can whilst ensuring our school is following our health advice on how to stay safe.

As a newcomer to the school, I have been in awe of the Adam Road

way. I would like to commend our families, students and staff on the extraordinary way in which they have begun the year. I also had the privilege of attending the P&C AGM last week, where a committed and dedicated group of parents stood together to ensure that the P&C continues its drive improvements for our school. To all parents who attended, or put their hand up for a role – I would like to thank you on behalf of the community for your willingness to contribute to our school in this way.

Over the next few weeks, we are excited to be holding our Faction Swimming Carnival, a Free Dress Day and all of the excitement of Term 1. I am excited to be getting to know our school, and continuing to meet wonderful students, parents and staff. It's been an opportunity to hit the ground running this term that is for sure! I am looking forward to a busy remainder of Term 1.

CATHY ALLEN
PRINCIPAL

Hello Adam Road Primary School Community,

My name is Miss Lizzy Cox and I will be working in Room 1 on Mondays and as Deputy Principal on Thursdays. I would like to take this opportunity to introduce myself to you. My family and I have recently moved to the Bunbury region and built a house near Dardanup West. I have two young daughters and a partner who works with high school students. I have worked in a variety of schools over the years from up north in remote Aboriginal communities to a small farming town just out of Esperance. Check out the purple spots on the map below.

I enjoy building connections with students, families and staff and am passionate about teaching and helping others to strive to be their best, including myself.

I'm excited to settle into life at Adam Road Primary School and getting to know this great community.

Miss Lizzy Cox

FACTION SWIMMING CARNIVAL

FRIDAY FEBRUARY 25 FOR SELECTED STUDENTS

P&C NEWS

The P&C held a very successful AGM on Monday 7 February. Thank you to all who attended, or notified us of their intentions. A new committee was elected and a huge 19 members joined! The 2022 Office Bearers are as follows:

President - Tarin Collins

Vice President - Kayla Morgan

Treasurer - Carly Swan

Secretary - Bethany Robinson

Uniform Coordinator - Natalie Veart

As well as the AGM a General Meeting was held to plan for the year, and it was unanimous that we continue on with our goal of fundraising for the playground upgrade. This is a major project and will take some time, but we are hopeful we will have some plans in place soon and can work alongside the school for the best outcome possible!

The committee also dedicated \$3000 to the school library for the purchase of library books from Australian Standing Orders (ASO). ASO are a subscription service offering the best new releases from all Australian publishers, together with comprehensive teacher notes which provide ideas for classroom activities and discussion. This is something that the P&C has been doing for many years and enables the library to acquire a plethora of exciting books including fiction and non-fiction and feature books nominated in the Australian Children Book Council Book Week Awards.

We welcomed Principal Cathy Allen to the meeting and are very excited for the year ahead. Even though things may look a little different we will still be working behind the scenes to make sure it's a fun-filled year for our children!

Book Club

The best gift any parent can give a child is the love of books and the joy and benefits of independent reading for fun. Children who read at home, or are read to, have a head start on reading success in school.

Our school is participating in Scholastic Book Club this year. Up to twice a term, during the school year, we will send home a Club catalogue with a different selection of books offered for all ages.

You'll find award-winning books and bestsellers, as well as old and new favourites. Books span a wide range of children's reading levels and interests and they are inexpensive (some books cost as little as \$2).

It is easy to order. The Book Club LOOP platform for parents allows you to pay by credit card. Your child's order is delivered directly to school safe and sound and the books will be taken to class. You can place your child's order at scholastic.com.au/LOOP or using the LOOP app, which can be downloaded from the App Store or Google Play.

Each order helps earn free books and resources for our school; however there is never any obligation to order.

If you have any enquiries please contact Mrs Taylor in the library.

CARING FOR BOOKS

We love our library and all the library books that are available for borrowing. However, it is really important that good borrowing habits are learned. Can you please make time to go through the following points with your children to help them become responsible library users.

CARING FOR BOOKS:

- Use a library bag.
- Keep books out of the sun and damp places.
- No tearing, scribbling or spilling food onto your books.
- Always put books in a safe place where they can be found. It is particularly important to make sure that books are out of reach of younger children.
- Always have clean hands before you begin to read.

Should your child accidentally damage a book, please let Mrs Taylor know, she may be able save the book. The library has special tape for fixing rips and tears. If it is beyond repair (eg. wet) a contribution towards replacement would be appreciated.
