That Boy, Jack

By Janeen Brian

That Boy, Jack is about two best friends that have a dream to be miners together and their dads are miners. Gilbert's dad has an accident and Gilbert has to drop out of school to help take care of his father. Then a miner chief talks to Gilbert and asks if he wants to be a miner. Gilbert says yes but only if my best friend can too, the chief agrees. When things get tough for Gilbert he goes to Jack's house and tells him he has to go to live in Adelaide.

My favourite character was Gilbert because he was not afraid to get into a bit of trouble he also really liked adventures like going down into an abandoned mine. He also really cared about Jack, that's why they were best friends.

Star rating: ★★★★★

Lizard's Tale
By Weng Wai Chan

This tale is of a boy named Lizard. He lives in Singapore's Chinatown. Lizard's parents died when he was very young so he lived with his Uncle Archie. His friend Lily is one of his few friends. She helped him join a school, he also lives above her father's tailor shop. He joins a street gang and works under Boss Man Beng until he is killed. When he goes on a job that involves stealing a box from a luxury hotel he finds out that everyone wants that same box. The box turns out to have a few secrets of its own, one secret is a red headed girl called Georgina. When he steals the box he runs into her on his way out. She forces him to come back to see her. Though when Lily and her meet, Lily's on one of her missions for a special black ops group their worlds collide. In a race against the Japanese to get the box and save Uncle Archie. The book is very good with a few plot twists and a lot of excitement. At some points it can be emotional but overall it is a very good book.

By Jesse

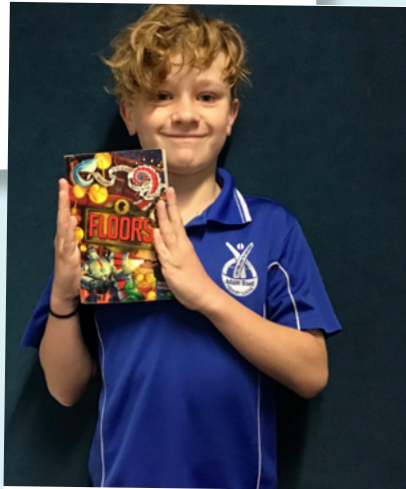

Wonder By R.J. Palacio

August Pullman is a normal 10 year old boy. He rides a bike, he eats ice cream and he even plays the Xbox like a normal kid but there is something about August and that is that he has a deformed face. August made friends and he liked hanging out with them at school. They went to a camp and they had the best time ever.

My favourite character is:

August Pullman because he is a brave young boy who is not afraid of who he is.

★★★★★

Floors

By Patrick Carman

Floors is about two kids working in the Whippet Hotel trying to find boxes to help find the missing owner. While he is missing, a person takes over and that person hates Leo and Remi. They are the main characters (the person's name is Ms Sparks). While doing that, they get very close to each other. They use radios to talk to each other. They also use a duck called Betty to help them find him. You will see why if you read the book.

My favourite character:

Remi is my favourite character because he works at the door and loves pizza! Remi is also a very nice boy. He doesn't care about what people call him or if someone yells at him. He is just calm and can put up with anything.

BOOK CLUB NEWS

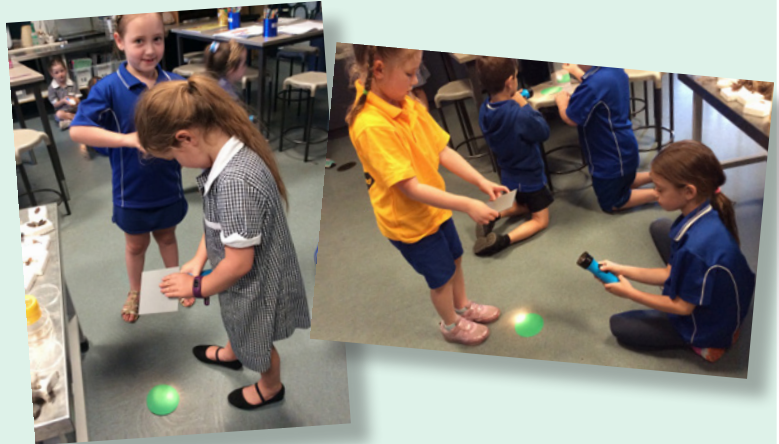

Thanks to your support Adam Road Primary School will receive \$200 worth of free books and resources for our school from Issue 5 of Book Club.

Science Happenings

As part of Physical Science the Year 2s made paper helicopters to discover different types of variables that affect the speed of fall. This included discussing variables involved, deciding on their own change variable, constructing their helicopters and then recording which helicopter hit the ground first over multiple trials.

In Physical Science, Year 1s were discovering how we see objects and how light bounces off objects.

In Science, Year 2 students enjoyed a mining activity looking for different types of minerals as part of their Earth & Space Science learning.

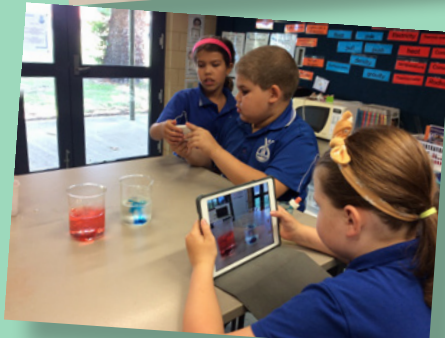

Science Happenings

As part of Physical Science, Year 3 students were learning about heat. Here they are discovering that hot water has more heat energy than cold water.

Year 3s really enjoyed making a thermometer in their Heat topic.

In Science, as part of the Earth & Space Science Strand, Year 6 students conducted an experiment whereby they modelled the effect of different sized tsunamis on the environment.

FROM THE PRINCIPAL'S DESK

Our new PBS Target Behaviour beginning this week is wearing our school uniform. We are pleased so many of our students wear our school uniform regularly but want to encourage everyone to do the same. It looks great and is a great way to show pride in our school. In winter we tend to see more students not in full uniform so please assist us and your children by reminding them of the importance of wearing the Adam Road PS uniform every day.

Recently we have had a number of paved areas replaced with concrete so now have excess pavers available. These are very solid 600 x 600mm concrete pavers handy in many back yards.

If you would like some please come to the front office. Pavers are \$5 each and please let staff know when you will be collecting them.

We are currently having our Science Room re furnished which will create even better learning areas for students in Science. Also soon to happen is a realignment of some fencing to allow better access to our Administration Area. In the coming school holidays major work will be completed in the Pre Primary playground area. We are constantly looking to maintain and improve our school site. The School Board is also looking at a long term view of important areas of focus for our school.

GUY ASSER
PRINCIPAL

ADAM ROAD PRIMARY SCHOOL IS A RECYCLING SCHOOL

As part of the recycling program, Room 11 collects and rehomes the shredded paper from the office and classroom shredders. It makes great bedding for small creatures such as rabbits, guinea pigs and rats. Once it is used, it can be put into the green waste bin to be collected and composted. We sometimes have a surplus of shredded paper and would love to find a home for it.

If you have little creatures at home that would love a comfortable bed of shredded paper, call into Room 11 and grab a bag!

**PAVERS
FOR SALE
\$5 EACH**

*Please pay at front office
and arrange when you will
collect them.*

**Kindy is collecting
Lego base plate mats to
create a Lego table.**

**Any donations of Lego mats would be
greatly appreciated.**

Please drop them into the office.

SCHOOL PHOTOS INFORMATION

*Our School Photos will be taken on:
Monday 24, Tuesday 25 and
Wednesday 26 August 2020.*

CLASS PHOTOS/PORTRAITS:

- Every Student will have their photo taken, whether they are purchasing photos or not.
- The school has chosen to use the online ordering system. Your child has been given an online ordering instruction slip and a unique student shootkey. Log onto www.msp.com.au and follow the prompts to place your order.
- If you lose your shootkey the school reception will have a copy to quote back to you.
- The expiry date for online ordering is the 1.09.2020. Any orders received after this date will incur a \$30.00 archive fee. Late orders can be placed by calling MSP 9240 8000 or emailing reorders.perth@msp.com.au

FAMILY PHOTOS:

- Envelopes can be obtained from Administration.
- Family photos are taken each morning before school.
- Please ensure that your family envelope and payment are handed to the photographers on photo day.
- If you do not have the correct money we will provide any change needed when photos are delivered to school.
- Family photos cannot be ordered online.

GIVE A DAMN, GIVE A CAN APPEAL IS ON AGAIN

Collection boxes will be in the front office. Please give to this worthy cause.

**THURSDAY 27 AUGUST -
TUESDAY 22 SEPTEMBER**

THE RIGHT ANGLE

Grace's kitchen floor is square and is going to be fitted with 64 square tiles in an 8 x 8 array.

Grace chooses black and white tiles.

She could have the tiles laid out so that they look like a chessboard, but she is hoping for something a bit more unusual.

Can you suggest a symmetrical pattern?

Extension: Can you make a pattern with more than one line of symmetry?

Bad Maths Joke:

I had an argument with a 90° angle yesterday. It turns out it was right.

Take some photos while you're working it out. If you email them to adamroad.ps@education.wa.edu.au, you may make it into the next newsletter!

PRE PRIMARY

PPI Sasha, Taite
 PP2 Jackson, Miesha
 PP3 Jaxon, Lola

YEAR 1

Room 2 Aria, Rhys
 Room 3 Dragyn

YEAR 2

Room 1 Amrit
 Room 4 Mahlia
 Room 6 Chayce, Lucy

YEAR 3

Room 17 Jett
 Room 7 Tyler

YEAR 4

Room 11 Paige, Xavier
 Room 12 Cohen, Draylene

YEAR 5

Room 13 Evaleigh, Lilly

YEAR 6

Room 18 Miley
 Room 19 Jordan
 Room 21 Krystal, Matthew

A message from Rhiannon

Do you need some YOU time?

Did you know, if you're eligible for 85% CCS it only costs you **\$8.90** before school and **\$6.53** after school for your child to come to OSHClub? Our FULL fee with NO CCS is only \$23 before school and \$33.90 after school. So if you have that appointment, project or even just that d'own time you've been meaning to have now is the time! Make an enrolment (it's FREE) or come in and have a chat with Rhiannon and Phillipa in room 14.

OSHClub News

We have been so busy setting up new areas in our room and working on our fairy house project, painting our Indigenous mural and working on our new SUPERHERO HIDEOUT play area! Who can you spot in the photos?

Coordinator: Rhiannon Godber
Educator: Phillipa Woods
Our Service Mobile: 0421 705 749
OSHClub Accounts: 1300 395 735

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.
