## NAIDOC 2021 HEAL COUNTRY

Kaya!

Year six students from Room 21 embraced NAIDOC Week with a range of exciting activities. We lit a fire each morning for the centre of our “Yarning” circle and used this space to share stories each morning.

During the week Mrs Cogan cooked kangaroo meat for us to taste ...it was delicious! We also learnt the Noongar words for the song “Heads, Shoulders, Knees and Toes”. We discussed the Stolen Generation and watched Rabbit Proof Fence, then wrote poems about

what it would be like to be stolen from our families based on a characteristic we had no control over. We listened to stories like the Rainbow Serpent by Dick Roughsey and The Burnt Stick by Anthony Hill. We thought about the importance of home and then used Google maps to design and paint the landscape around our homes using Aboriginal symbols. We even created a cool strategy game using Indigenous colours.

The whole week was Mooditj fun!!

# FROM THE PRINCIPAL'S DESK

**We are currently offering parent interviews with all teachers. I hope you have taken the opportunity to book a time so that you can have a one on one conversation with your child's teacher about your child's progress so far this year including things they are doing well and maybe some things they need to work on in the second half of the year.**

Thanks to Mrs Gaetke for keeping my seat warm while I took some long service leave and I can see that the school has made a great start to third term.

We are currently finalising preparations for our school review coming up in week six of this term. The review process involves us submitting information to the Department of Education regarding the operations and performance of our school followed by a school visit where two reviewers speak with staff, parents and students to validate the information we have provided. Once this is completed we are provided with a report which will be posted on our website. Recommendations from this report will assist future planning.

**CHILDREN'S BOOK WEEK RUNS FROM SATURDAY 21 AUGUST - FRIDAY 27 AUGUST – WEEK 6, TERM 3**

To celebrate this year's theme, 'Old Worlds, New Worlds, Other Worlds', students K – 6 are invited to dress as a book character, author or something relating to the theme for our Book Parade on Friday August 27. Students are encouraged to bring their book along to school with them if possible. Costumes do not need to be elaborate and can often be created from items already found at home.

# At Adam Road ... We follow instructions.

- Actively listen
- Ask if you don't understand
- JUST DO IT!

## Party Time!

What a huge success our disco was last term! Thanks for everyone who came along and boogied the night away!!

We had popular glow products, delicious food and drinks, a busy photo booth, and the awesome Kryptonite Entertainment DJ playing some bangers.

The night was such a success that we had a long line out the door – thank you so much for your patience everyone.

We raised over a whopping \$2700 which all goes towards our goal of upgrading the playground.

This term, we have some more exciting upcoming events such as a pizza day and our Father's Day stall and raffle. We will keep you updated about these events and hope to see your family there.

Thanks,  
P&C.

## Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools

- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the NCCD Portal (<https://www.nccd.edu.au>).

## A message from Phillipa

### We want to hear from you!!

If you have any suggestions or feedback, please let us know! We want this service to represent our amazing families with the things they want their children to enjoy and achieve.

### How can we make this service better for you or your child?

Flick us a text, an email, pass on a note, give us a call or pop in and see us to let us know what we can do for YOUR family!

**Do you have a special skill you would like to share with us?** We are looking for people who might be interested in sharing their culture or special talent such as playing a musical instrument or speaking a second language. Come in and talk to us in room 14 if this sounds like you.

## OSHClub News

We have had a lovely first few weeks of term three and have managed to pack it full of interesting activities and learning here at Adam Road OSHClub. At the end of last term, we farewelled the amazing Rhiannon. After almost ten years of dedicating her time, energy, and creativity to OSHClub she has decided to spend some time at TAFE extending her already awesome skills. We all miss her a great deal already but have been very lucky to have some wonderful casual staff willing to fill the void until a permanent educator joins our team. Niamh and Krystal have both been wonderful helpers and have very quickly become a part of our close OSHClub family and we are very lucky to have them. So far this term we have focussed on learning about different cultural practices through our world Music Wednesday program. We explored NAIDOC and what it means, providing the children with the opportunity to engage in Indigenous arts and music. We have been learning about Japan as we dive into exploring the Olympic Games in Tokyo and are creating an amazing wall display to showcase our work.

During week two we had a visit from the Salvation Army, as last term we focussed our fundraising efforts on collecting bottles and raising money to donate to the Salvation Army. With the support of our families and the wider school community, we were able to raise \$70 to donate. If you have any cans or bottles at home, you can drop them into room 14. The money raised this term will be donated to the Bunbury Dolphin Discovery Centre to support looking after our Bunbury ocean wildlife.

This term we will also be starting our own Environmental Sustainability Club. We have purchased a compost bin and with our already established worm farm, we will be learning about recycling waste to use in other garden projects. We are aiming to make our OSHClub environmentally responsible by reducing the amount of waste we produce and learning about ways we can become more sustainable. If you would like to find out more about what we are doing at OSHClub please come and visit us in room 14, we look forward to seeing you soon.

# COMMUNITY NOTICES

## Emotion Coaching Children

Emotion coaching is a technique that helps parents and carers identify and respond to their child's emotional cues, and coach them to express emotions constructively.

**Topics covered in this discussion include:**

- Different types of emotions and the ways they can be expressed
- How to emotion coach
- All emotions are okay, some behaviours are not

All approaches are evidence-based and parents choose which approach suits them best.

For parents and carers of children aged 2 to 8 years.

**Date:** Wednesday 18 August 2021  
**Time:** 9.30am to 11.30am

## Year 7 Clontarf Academy Induction Camp

Earlier in the year, the Year 7 Clontarf Academy students travelled to Busselton for an overnight induction camp. The purpose of the camp was to begin developing healthy relationships and identify expectations around high school and the academy. The boys enjoyed many activities including fishing, swimming and beach games, as well as a tour of the Ngilgi caves in Yallingup. 2015 Newton Moore Alumni Clint Yarran came down and spoke to the group about his work and shared some advice for school. Lincoln Browne received the 'Clontarf spirit' for his great leadership and participation throughout the camp. It was an enjoyable couple of days for all and a great foundation for the boys to build on for the rest of the year.
