

100 DAYS OF SCHOOL

On Thursday Pre Primary 2 celebrated 100 days of school. It was fun placing 100 lollipops in the hundred square in the centre circle. Then we stepped and counted each box before we got to enjoy a lollipop! We threaded 100 Froot Loops, glued numbers skip counting by 10's, coloured a mask and enjoyed yummy cupcakes!!

NAIDOC WEEK

FROM THE PRINCIPAL'S DESK

I was fortunate to avoid the hassles of our external painting during a very wet June and have come back to enjoy the great results. A big thank you to Mrs Gemma Knight and all staff who ensured the smooth running of the school in my absence.

As always we have a busy term planned including an extra focus on Science during Science Week beginning Monday 12 August followed by Book Week beginning Monday 19 August. So as not to be left out Mr Ashworth is continuing his push for mathematics and today is starting something for everyone to think about. Please have a go at the Math's Challenge in this newsletter and send us some photos to include in our next edition. Mr Ashworth

also has a very good supply of 'bad maths jokes' he likes to share! Many students are already planning for their audition for this year's Adam Road's Got Talent to be held on 24 September. I believe this will also provide an opportunity for everyone to enjoy the very first performance of our school band. I was very impressed with how far this group has already progressed when I visited one of their practise sessions last week.

Japanese is another program that continues to grow and do exciting things at our school. This Thursday will see the second visit by a group of exchange students from Japan. Our students enjoy interacting with these visitors during their Japanese lessons.

GUY ASSER
PRINCIPAL

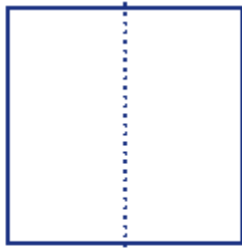

THE RIGHT ANGLE

Congratulations!! You've found the new Mathematics column.

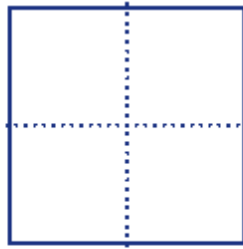

In each newsletter, a challenge will be set. Can you solve it? Get your family or friends to help. How did you work it out? Send pictures of your efforts to adamroad.ps@education.wa.edu.au. You could be featured in the next newsletter. Good luck!

'I Fold'

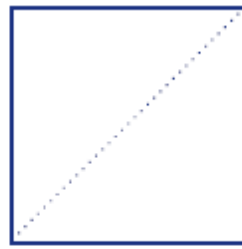

Can you fold paper squares to make them look like each of these designs?

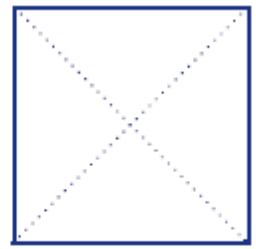

1

2

3

4

EXTENSION:

Can you fold a square so that it shows 3 rectangles?
Can you fold a square so that it shows 3 triangles?
Can you fold a square so that it shows both triangles and rectangles?

BAD MATHS JOKE:

Dad: Are you alright, son?
Son: No. I'm half left.

YEAR 2 ROOM 5 SCIENCE

In Science students were learning about mixing and what happens when different ingredients are mixed together. Room 5 experimented with liquid and dry ingredients to make chocolate crackles.

YEAR 6 ROOM 21

ANIMAL FARM IN ROOM 21

Last term we read the novel 'Animal Farm' by George Orwell. It is a political satire about Stalin and the Russian revolution. We looked at lots of things related to animals:

CHICKENS

As part of our study we tried to hatch six chickens in an incubator. It took 21 days exactly for two to hatch out. There was a little black and a little yellow chick. We ran a survey to find names for the chicks and 'Cookies' and 'Cream' were the winners.

We created digital presentations, including graphs, tables and photographs to monitor and record the progress of the weight of the chicks.

The 4 eggs that did not hatch after another week were broken open so we could see what was inside. It was a bit sad because one of them was almost full size and the others looked like they had died around day 9.

We made a little pen for the chickens and looked after them for three and half weeks in the classroom. It was lots of fun taking them out on the grass, snuggling them under our jackets and listening to them cheeping out their little songs.

TADPOLES

Ethan brought in some tadpoles, so we created a wonderful aquarium for them to grow in. It was amazing to watch them grow their legs and then lose their tails and turn into little frogs. We now have six little motor bike frogs which we will release into the wild to help repopulate the species. Frogs are a sign of a healthy environment.

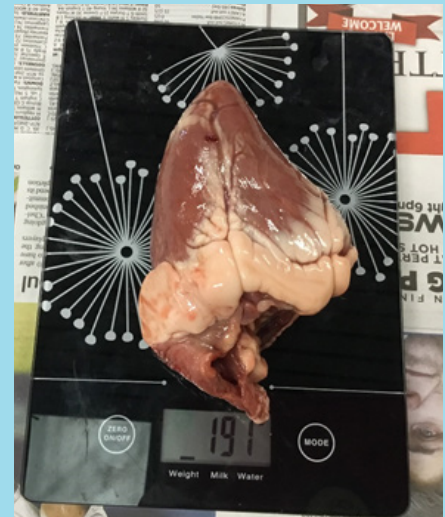

I WILL HAVE MY POUND OF FLESH!

This term we have read Shakespeare's Merchant of Venice. It was all about Shylock wanting Antonio's heart for a debt. To begin with we learnt about the Circulatory system and then everyone got nervous when Mrs. Cogan told us we were dissecting a sheep's heart. We saw all of the things we would be using such as; a knife, a scalpel, a glove for each person and a magnifying glass and a set of scales to weigh the heart.

Most of the hearts weighed something like 200 grams, that is about half the weight of a human heart. Someone then cut the heart vertically and then we saw all the veins and arteries that allows the blood to travel through.

Even though we had gloves on we still could feel the gooey, disgustingness. The heart wasn't as red as everyone thinks it is. The heart was slippery and smooth. Everyone was very grossed out except for one individual, Joanne.

Written by Kolbee

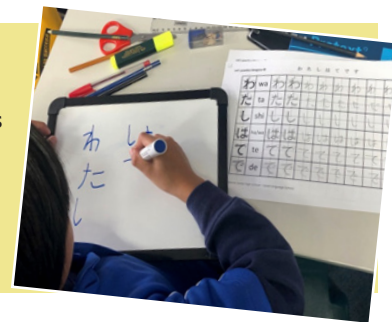

INTERSCHOOL CROSS COUNTRY

What's been happening in Japanese?

LEARNING JAPANESE SCRIPT

Students have started to learn about Japanese script. They identified that there are three types of Japanese script – Hiragana, Katakana and Kanji, and that all three scripts can be used to write a sentence in Japanese. Year 3 and Year 4 students are learning how to read and write the Hiragana symbols. Soon they will be writing full sentences in Japanese. Stay tuned to see their amazing work.

JAPANESE FESTIVAL – TANABATA

On July 7, Japan celebrated the annual festival of Tanabata. The festival is known as the Star Festival and traces its origins to a legend that two stars or good friends – Altair & Vega - who are separated by the Milky Way, are allowed to meet just once a year.

Children write wishes on narrow strips of paper and hang them, along with other decorations, on bamboo branches in the hope their wishes will come true.

We have started to create our own Tanabata display where the students wrote Tanabata in the Japanese script Kanji. We created decorations and wrote wishes as well as read the story of the Legend of Tanabata.

JAPANESE SISTER SCHOOL VISIT

On Thursday, August 1, the Year 4 Japanese classes were lucky enough to have a visit from Newton Moore Senior High School's Japanese Sister School – Kawanishi Hokuryo in Osaka.

The group had organised a number of activities to show the students. These included Shodo – Japanese Calligraphy, Karuta – a popular Japanese children's card game, Kendama & Koma – Wooden toys and a martial arts display. The display included Judo – a form of Karate, Kyuudoo – Japanese archery and Kendo – Japanese traditional fencing.

It was great to have a couple of other classes drop in to have a look as well.

GOLD INTERCULTURAL LEARNING – JAPANESE STUDENT VISIT

Adam Road Primary School will again get the privilege of another group of visiting Japanese Students. This time it is the group at Bunbury Senior High School from Gold Intercultural Learning. This group will visit the Year 3 Japanese classes on Thursday 8 August from 12.45pm to 2.45pm. Feel free to drop in to the Japanese Room to have a look.

JAPANESE ITEMS

Students at Adam Road are so keen about their Japanese studies that some even bring in special Japanese items from home. We were very lucky to have a student in Year 4 bring in a very special Japanese fan owned by her grandmother. This fan is very old and has great sentimental value to the family. Thank you so much for sharing with us! I was able to show the students the Kanji symbols for the seasons on the fan.

**BOOK WEEK DRESS UP PARADE
THURSDAY 22 AUGUST 11.45AM**

Dress as a book character, author or something relating to your favourite book.

Adam Road Primary School Kindergarten students and families
You're invited to a special
Parent and Family Story Time Presentation

Each student will receive a 'Better Beginnings Plus' home reading pack, including a picture book and library bag.

When: Wednesday 21 August 2019
 Where: Adam Road Primary School Library
 Time: 9.00am

BOOK CLUB
ISSUE 5
DUE BACK
MONDAY
AUGUST 12 2019

No cash please – all orders placed must be pre-paid.
 Payment methods:
 Online – LOOP instructions on order form (no need to return order forms).
 Cheques – made payable to Scholastic (Bring order forms with name, room number and cheque to the Library).

SCHOOL BANKING

Let's help teach our children the importance of regular saving.

New members welcome.
 Your child, if not already received, will be given a Commonwealth School Banking brochure to take home.
 For deposits and further information see Jayne in the Memorial Garden, near the Uniform Shop, on Wednesday's 8.15am-8.40am.

CommBank School Banking is available at your school.

For over 85 years, the School Banking program has provided a fun, engaging way for Australian children to learn about the value of money and smart saving.

Get your child involved
 To get started, all they need is a Youthsaver account. They can then make regular deposits at school on School Banking day and be able to participate in our exciting Rewards Program.

Track their savings
 Your child can track their savings through the School Banking Savings Tracker or the CommBank Youth app, which is available to download from the App Store. It helps teach children real-life money skills, in a fun and secure digital environment.

Raise funds for your school
 School Banking isn't just helpful for your child. It's also a great fundraising activity, as CommBank provides your school with financial support through our School Banking Contributions Program.

Stay tuned for more
 Get ready to meet the Dollarmites and receive more School Banking information when your child starts school.

To find out more visit commbank.com.au/schoolbanking

The Art Room would like donations of plastic backed curtains please.

SCHOOL PHOTOS INFORMATION

Our School Photos will be taken on: Monday 26, Tuesday 27 and Wednesday 28 August 2019.

CLASS PHOTOS/PORTRAITS:

- Every Student will have their photo taken, whether they are purchasing photos or not.
- The school has chosen to use the online ordering system. Your child will be given an online ordering instruction slip and a unique student shootkey. Log onto www.msp.com.au and follow the prompts to place your order.
- If you lose your shootkey the school reception will have a copy to quote back to you.
- The expiry date for online ordering is the 03.09.2019. Any orders received after this date will incur a \$30.00 archive fee.

You can email your order request through to reorders.perth@msp.com.au or call our office on 08 9240 8000

FAMILY PHOTOS:

- Envelopes can be obtained from Administration.
- Family photos are taken each morning before school.
- Please ensure that your family envelope and payment are handed to the Photographers on photo day.
- If you do not have the correct money we will provide any change needed when photos are delivered to school.
- Family photos cannot be ordered online.

ADAM ROAD'S GOT

TALENT

2019

Can you Sing? Dance? Play an Instrument?

AUDITIONS: During Music in Week 7
(Monday 2 September to Friday 6 September).

WHOLE SCHOOL SHOW:
1.30pm Tuesday 24 September
Adam Road Assembly Area

(Featuring unique and entertaining acts selected from the auditions).

This is your chance to show your class and school your own unique talent.

Your act could include:

- ◆ Singing
- ◆ Piano
- ◆ Guitar
- ◆ Acting
- ◆ Dancing
- ◆ Comedy
- ◆ Gymnastics
- ◆ Poetry
- ◆ Trumpet
- ◆ Acro
- ◆ Other instruments

Start rehearsing now and come prepared to show your class your talent during Music class in Week 7.

Acts should be less than 2 minutes. Aim to keep it short and sweet (1 minute) where possible.

You may perform individually or with a group.

Make sure you bring everything you need to perform (costumes, instrument, music etc.).

Entry forms are available from the Music Room. Please return these to Mrs Smith by the end of week 6.

Room 21 Joshua, Kendall

Program Update

Hello Adam Road Families!

WE NEED YOUR SOUP-PORT!!

We have teamed up with **Bunbury Soup Van** to have a donation drive to collect some much needed items, but we need your help. Our children have been working hard making some posters and painting our collection box which is ready for donations.

If you have any of the following it would be greatly appreciated:

- Tinned/ Microwavable Meals.
- Tinned Soups.
- Deodorant.
- Toothbrush/Toothpaste.
- Bars of Soap.
- Hairbrush/Combs.
- Sanitary Items.
- Warm Clothing (socks, scarves etc.).
- Blankets.

You can find the donation box inside our OSHClub room (Room 14) and every donation is greatly appreciated. Help us spread the word and let your friends, families and classmates know so we can make an impact for those in need this Winter.

In other news, we have been learning and making things to get ready for a Medieval Castle play area in our room! If you have any **BIG** boxes, we would love to take them off your hands! Speaking of hands, we got ours dirty in our worm farm! Our children shredded some newspaper for the worms and we gave them our food scraps. We collected our worm tea and gave some to our families for their gardens at home. Our next project will be to sell our worm tea so we can buy a gardening kit from Bunnings!

Watch this space for more exciting news and projects!

Your OSHClub Staff

DEALING WITH DISOBEDIENCE

Come along to our Dealing with disobedience workshop. We will learn simple strategies and examples of common forms of disobedience and some reasons why children don't do as they are told. A Power of Positive Parenting discussion group.

- What are common forms of disobedience?
- How to teach your child limits?
- How to manage disobedience

Date: Tuesday 24 September
Time: 12:15pm to 2.15pm
Venue: Adam Road Primary School
 Hotchin Street, South Bunbury

Register now (bookings for workshop and crèche are essential) on 9721 6991.

Supported by:  In partnership with 

Get Active with the Carey Park Scout Group!!!

We welcome young people from Pre-Primary to Year 12, offering a safe and supportive environment where your child can make new friends, learn life skills and embark on new adventures!

New members can try Scouts for 3 weeks before committing. We meet at the Carey Park Scout Hall on Wisbey Street. For further information send me a PM or check out our website.

The Incredible Years® Parent Program Preschool (3 to 6 years of age)

"Parenting is probably one of the hardest jobs an adult will undertake, but probably also the one for which the least amount of training and preparation is provided."
 - Carolyn Webster-Stratton (creator of the Incredible Years®)

The Incredible Years® Preschool Parent Program is a world renowned program helping parents and carers of 3 to 6 year old children learn strategies to help provide a nurturing, playful, loving and affectionate home environment which is vital for healthy child development.

Why attend?
 Over 16 weekly sessions we discuss ways to help bring out the best in your children through a range of parenting strategies. The program is interactive and collaborative, recognising that YOU are the expert in your own family.
 No crèche available!
 Refreshments will be provided.
 Who's it for?
 Parents of children ages 3 to 6 years

Date: Wednesday Evenings starting 31 July 2019
Time: 6:00pm to 8:00pm
Venue: Carey Park Primary School
 61 Frankel Street, Carey Park
RSVP: 24 July 2019
Cost: Free

Registrations Essential

We welcome you to pop in to our Centre and have a chat with our friendly staff about how this amazing program will benefit both you and your children. Register at the Centre, or via the Incredible Years by Investing in Our Youth Facebook page.
