

ADAM ROAD'S GOT TALENT 2018

At the end of Term Two, the school was treated to a display of some of the amazing talents possessed by our students. Over 70 performers sang, danced, acted and played instruments in our Adam Road's Got Talent Show.

SEMESTER 2 STUDENT COUNCILLORS

FROM THE PRINCIPAL'S DESK

We are continuing to promote the effective use of technology as a learning tool at our school. Our students need to be able to use technology to access and critique information, to create and to become effective users of different digital systems.

We began a BYOD iPad program at the beginning of the year for our Year 4 and 5 students and it is pleasing to see the number of students bringing their own iPad is increasing as we progress through the year. We have recently included Year 3 and 6 students, on a voluntary basis, to this program and already have some of these students bringing their own iPad to use at school.

A recent survey of parents, staff and students involved with the BYOD Program has provided us with useful information to assist us in improving how this program operates. Over 80%

of students indicated that they preferred using iPads to pen and paper activities and a similar number believe they learn better when using the iPad. Most acknowledge that they still use pen and paper more than their iPad.

It is important to remember that the iPad will never replace pen and paper and the many other resources students use but will be used when appropriate. Feedback from parents was mixed which is understandable with a significant new program like this one. Like our students we are also learning how to make best use of the technology resources available to us and in this phase there will be varying amounts of use from class to class.

As with other areas of school operations we welcome feedback and are keen to work with students and parents to achieve the best possible outcomes for our students.

BOOK WEEK

Monday 20 August to Friday 24 August – Week 6

Each year, schools and public libraries across Australia spend a week celebrating books, Australian authors and illustrators. Teachers and libraries conduct activities relating to the theme to highlight the importance of reading.

This year's theme is "Find Your Treasure". Students will be participating in special reading activities throughout the week to celebrate books and ways in which they enrich our lives.

We will be holding a colouring in competition. Entries will be available from the library and will all be displayed; they are due back Friday 24 August and winners will be announced the following week.

Students and staff are encouraged to dress up as a book character, author or something relating to the theme "Find Your Treasure" and participate in the Book Week Dress up Parade, to be held in the centre circle (weather permitting) at 11.45am Thursday 23 August. We look forward to seeing you there!

enjoy reading together
@ your library™

KINDERGARTEN STUDENTS AND FAMILIES

You're invited to a Parent and Family Story Time Presentation.

Each student will receive a take home 'Better Beginnings Plus' home reading pack, including a picture book and library bag.

When: Wednesday 22 August 2018

P&C NEWS

FUNDRAISING 5 CENT DRIVE

A 5 cent drive is happening this term. The aim is to collect and bring as many 5cent coins as possible and place them into the tins in your classroom. If your class collects the most coins, you will all enjoy a FREE YUMMY morning tea! All the money raised will go towards the undercover area makeover.

SO START COLLECTING NOW!

UPCOMING EVENTS FOR TERM 3

23 August Family picnic
29-31 August Father's Day stall
13 September Disco
20 September Pyjama dress-up day

Please follow us on our Facebook page **Adam Road Primary P & C Association Inc.**

Nationally Consistent Collection of Data for School Students with Disability

Our school is part of a national project about students with disability and/or learning difficulties.

We have been asked to provide data about the number and learning needs of children at our school. The name of the school and the name of the students will not be reported. Information about the different types of needs and the programs and resources the school uses to overcome barriers and support children with special educational needs will be collected.

We believe it is important to contribute to this because it will help Governments and the Department develop better policies that acknowledge the level of resources needed in schools to meet the needs of all students in Western Australia.

If you would like to learn more about the Nationally Consistent Collection of Data for School Students with Disability you can visit this website:

Room 11 Amily
Room 13 Jared
Room 17 Wayne

YEAR 5

Room 12 Jessica

YEAR 6

Room 18 Ashton
Room 19 Jessica
Room 21 Jago, Sheldon

Program Update

Hello Adam Road Families!

We hope everyone had a great holiday, we certainly did at OSHClub holiday program but we are happy to be back. We have loved listening to children tell us about all the fun things they got up to on the holidays.

As most of you know, here at OSHClub we provide before and after school care for your children but did you know what else we do? These are just some of the things we will be doing this term:

- Team building group challenges
- Science experiments
- Gardening/Caring for our worm farm
- Dramatic play
- Themed arts and crafts
- Cooking
- Learning about/celebrating other cultural events
- Group games
- Themed games/activities

To start a fresh for the new term we have switched up some of the areas in our room. We think it looks much better but come and see for yourself and let us know what you think. Have any questions? Give us a call or pop in and see us!

Your OSHClub Staff
Rhiannon & Darcie!

OSHC program phone: 0421 705 749

Operating Hours: 7-9 am and 2:30-6 pm

Coordinator: Rhiannon Godber

Assistants: Darcie McLeod

OSHClub Head Office: 03 85649000

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.

The Astronomical Society of the South West (Inc) will be holding special Mars Astronomy Nights for the public at their Observatory, Keble Heights, College Grove, Bunbury. The Observatory will be open on Friday 3rd, Saturday 4th and Sunday 5th of August each night from 7.00pm to 9.30pm, weather permitting.

Mars will be appearing 5 times brighter than we normally see it in our night-sky as it has it's closest approach to Earth since 2003 and this rare opportunity wont happen again for another 30 years. There will also be other planets and many other night sky objects to be seen.

Cost: Adults - \$12.00;
Children - \$8.00; Family - \$35.00.

Further Information, Phone: Cameron on 9795 8204
