NEWSLETTER

On Thursday 30 May as the sun shone brightly on the Adam Road School oval, the students from Years 3 to 6 gathered in their faction bays and prepared for the annual Faction Cross Country. The behaviour and sportsmanship of the students was amazing and led to a very successful carnival with Boodja ending the reign of Kep (4 years) and claiming the title of Champion Faction for 2019. Congratulations to all who participated and a special shout out to our medal winners.

FROM THE PRINCIPAL'S DESK

It is pleasing to see so many students responding positively to our current PBS target behaviour, respecting sports and play equipment.

It is also wonderful to see the students continuing to demonstrate one of our previous target behaviours by walking on hard surfaces. A number of students have earned a values card recently for demonstrating our school values of tolerance, resilience, respect, endeavour or responsibility. Our factions must be nearing their next 3000-point target.

Last Friday, our Pre-Primary students attended their very first excursion with the Year one classes to see Possum Magic at BREC.

The show sounded fantastic and the students' behaviour was exemplary. Thank you to the staff involved for organising such a wonderful experience for the students.

Parents, just a reminder that your child/ren should not arrive at school prior to 8:15am each morning. Students are supervised in the assembly area from 8:15 until 8:30am, when classrooms open. If your child needs to arrive earlier than 8:15am please arrange before school care through OSH Club, which is held in room 14. Thank you for your understanding.

Book Fair

A huge thank you to all the families, students and staff for helping to make our annual book fair such a great success.

Due to your fantastic support we received almost \$1700.00 worth of new books for our library. These books will soon be available for students to borrow. You are welcome to come in and have a look at the wonderful titles we have received. Thank you to the Cifelli Family for your generous donation of books to our Library. Thanks also to cashiers Ms Veart, Ms Cowlshaw, Mrs Hunter, Mrs Loxton, Ms Forooghi, Mrs Spencer, Mrs Franco, Mrs Smedley, Mrs Cifelli and Mrs Knight, your help was most appreciated. The colouring competition entries are displayed in the library, an outstanding effort by all participants! Entrants are too numerous to mention, but all received a prize. Congratulations! An extra special thanks to Ms Pringle and "Thea Stilton" for coming to visit our Book Fair!

JAPANESE RESOURCES GRANT

The Japan Foundation in Sydney offers a number of Grants each year to schools starting Japanese Language programs and/or consolidating established programs.

After a detailed application I am pleased to announce that our application was successful! Adam Road will soon be receiving over \$500 to put towards some amazing Japanese resources to help with the students' learning of Japanese.

Stayed tuned for what will be arriving soon.

TERM THREE - JAPANESE STUDENT VISIT

An exciting opportunity for the Adam Road Primary School Japanese students. Gold Intercultural Learning is again sending a group of students to Bunbury. This time the group will be based out of Bunbury Senior High School.

This group of Japanese students will visit Adam Road Primary School next term. So those classes that missed out on doing activities with the Japanese students will hopefully be able to join in this time round.

Date to be confirmed.

PIZZA DAY! MONDAY JUNE 17

The P&C will be running a Pizza Day on Monday 17 June. The order forms have been sent home, however if you have missed out on a form visit our Facebook page and let us know so we can get one to you ASAP.

We will need quite a few volunteers to help on the day. Please let us know if you are able to come and help out, message us on Facebook, email or drop a note in at school. The more helpers and hands we have, the easier it will be to get everyone fed on time.

CROSS COUNTRY CAKE STALL & SAUSAGE SIZZLE VOLUNTEERS NEEDED

The Interschool Cross Country will be held at Adam Road on Wednesday 26 June, and the P&C will be running a Sausage Sizzle and Cake Stall.

If you would like to help sizzle a few sausages, make copious cups of tea and coffee or serve up some scrumptious snacks then we would love to hear from you!

You can either message us on Facebook or sign up outside the canteen. Many hands make light work.

CAKE DONATIONS

For our fabulous cake stall we are asking our wonderful, supportive Adam Road families to get their baking gloves on. We need donations of cakes and slices, biscuits and muffins, sweet or savory to feed the hungry hordes.

All baked goods can be dropped off to the canteen area on the morning of Wednesday 26 June. Please make sure containers are clearly named and display your child's room number so we can make sure they get back to you.

Please be aware that we have people with allergies in our school. **NO NUT OR NUT PRODUCTS TO BE USED PLEASE.**

Please provide a list of ingredients with all baked goods so these can be displayed.

If you are providing Gluten Free products, please label these items clearly.

SEEKING A VOLUNTEER

School Banking Co-ordinator

Did you know that our school is involved in the Commonwealth Bank School Banking program? School Banking is a fun, interactive and engaging way for young children to learn about money and develop good savings habits. Children who deposit money into their accounts through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards. School Banking is also a great fundraiser for our school.

You may have seen our lovely School Banking Co-ordinators Jayne and Jennipher sitting at the table near the uniform shop on Wednesday mornings collecting the students' hard-earned pocket money for banking. Jayne is unable to carry on with this position and we would love to give someone new an opportunity to take on this role. If you are looking for a way to assist with the P&C and school in general, this is a great opportunity for you to be involved. It takes less than two hours a week and can be flexible to your needs. Training will be provided.

If you would like more information, please see Jayne or Jennipher on Wednesday mornings or contact Veronica on 0419 950 406.

Please consider this even if you are only able to commit for a short time. Many hands make light work.

GET TO KNOW YOUR P&C

"My name is Heidi and I am the Treasurer of the Adam Road Primary School P&C. Last year I was involved with the P&C as an executive member. I have four boys aged 21, 19, 10 & 8 and a granddaughter who is 2 years old. I am involved with the P&C as I have realised through sporting clubs how important it is to give back to your community and this can be achieved by becoming a volunteer. I have been a self-employed bookkeeper for 12 years and I am currently studying a Bachelor of Commerce (Accounting) at Edith Cowan University. My interests include group fitness, listening to music, fishing, reading and I love to watch a good crime series on the TV such as Wallander, Vera, Unforgotten and DCI Banks. As a teenager I did classical singing lessons for 2 years and played the baritone, then percussion in the NMSHS band."

Dear Parents and Carers,

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards,

Fiona Gaetke
