

We celebrated National Reconciliation Week with face painting, tree planting, artwork and damper tasting. Thank you to Mrs Collins for giving up your spare time and spending the day face painting. We had an overwhelming response from the students it was awesome to see.

UNWELL STUDENTS

Now that we are in the cold and flu season and with COVID continuing, we need to work together to minimise the spread of infection. It is vital that we work hard to keep students home if they are unwell. Please monitor closely for both cold and COVID symptoms. If children feel unwell or have symptoms, please have them stay home and take the time to rest. Families will be called if children are presenting with symptoms or feeling unwell. We would appreciate when collecting children that prompt arrangements can be made so that we can manage our procedures in the office area.

FROM THE PRINCIPAL'S DESK

This week has certainly reminded us that winter is in full swing with some wild weather. Our students have certainly appreciated their outside play opportunities amongst the pockets of showers.

Over the last few weeks, I have had the privilege of reading many of our student reports which will be distributed to families in the last week of school. These are always a wonderful reflection of student effort and achievement for the semester. I encourage you to seek additional feedback from teachers if there is anything in the report that you need more information about.

I would like to take this opportunity to update you on a few things that have been happening behind the scenes this semester – items that have been of high priority to me as I have joined the school this year. Our new 2022-2024 Business Plan is in draft, with plans for parent feedback next term. In this Business Plan, we are setting our vision for embedding our School Beliefs in everything we do. This means, we will have four Focus Areas:

1. Safe, valued and respected
2. Challenged, engaged and accountable
3. Positive relationships
4. Opportunities for success

Over the coming months, you will hear more about our plans in these areas, with opportunities to provide us with ideas and feedback. We have established staff teams who will be focusing their attention on specific aspects, and I look forward to sharing more of their plans in the coming months. I have met with the five leaders of these teams, and I am excited about their vision and passion for each of their particular areas.

As this will be the last newsletter before the school holidays, I would like to wish you a wonderful break. For some families, whose last holidays may have been spent in isolation, I hope you are able to fill your family buckets and share some amazing moments with your family.

Stay well,
Cathy Allen

P&C Logo

The P&C committee would like to thank the school for commissioning a graphic designer to create our very own P&C branding! We are very fortunate to have the support of the school in all that we do. We love that we now have a logo and letterhead of our own that still closely links us together. If you see our logo on our Facebook page give it a big thumbs up!

Interschool Cross Country

Each year Adam Road Primary School proudly hosts the Interschool Cross Country with hundreds of competitors in attendance. We will be holding a food and drink stall with barista-made coffee from Bunbury Coffee, donated morning tea items and a sausage sizzle! This is one of our biggest fundraisers and if you can contribute baked goods (labelled with ingredients) or lend a hand for an hour or two please get in touch.

PJ Day

On Wednesday 29 June students are invited to wear their winter PJs and snuggly dressing gowns to school! Gold coin donation is required.

Playground Fundraising Update

We are still working hard to fundraise to upgrade our school playground! As many of you would understand play equipment, especially play equipment that is long-wearing and caters to many children playing, is very expensive. In 2021, we were very successful in raising \$11,000 for our playground fund. OSH Club very generously donated \$3,000 and the school committed \$20,000. This means we currently sit at a grand total of \$34,000. When you add our efforts from this year so far our tally is approximately \$36,000. At our last P&C meeting, we worked together to set a realistic goal for Stage 1. The goal is \$45,000 and once we reach this amount we will work within the department guidelines and with all relevant groups to create exciting plans for the community to see! Thank you for your ongoing support.

**Interschool Cross Country
Friday 24 June 2022**

The P&C are seeking donations of baked goods such as cakes, muffins, slices, biscuits etc to sell at our stall at this event.

If you can help, please deliver any donations to the canteen by 9am on the day and include a list of ingredients used. We thank you for your support!

Culture Rocks

Join Hilary from Relationships Australia Bunbury over 5 weeks, to create rock art and share your unique culture with others in a safe and supportive environment.

Settling into a new country can be exciting and it also brings its share of challenges. Our Culture Rocks program is an opportunity for women from migrant communities to get to know each other and share their experiences.

Mondays in August

1st, 8th, 15th, 22nd, 29th

Time 12.00pm-2.30pm
Where Child and Parent Centre, Ecclestone Street, Carey Park (Bus stop 828 or 829)
Cost FREE, including creche and lunch
RSVP To book your place or for more information please contact Hilary at Relationships Australia WA Bunbury on 6164 0550

A light lunch for parents and children will be served from 12:00pm, giving time to settle your children in to crèche and become familiar with the environment and creche staff.

Parenting Connection

Raising Screenagers

A free webinar with Dr. Kristy Goodwin

"Just five more minutes!" Sound familiar?

How do you create healthy boundaries for your teen's screentime without digitally amputating them? This workshop by renowned digital wellbeing expert, Dr Kristy Goodwin, will offer evidence-based, realistic advice to help parents and carers feel more confident about supporting your teen's physical and mental wellbeing.

Kristy will explore:

- A simple formula to establish healthy screentime limits for teens of various ages
- Why young people are susceptible to potential pitfalls online and how best to navigate social media and online video games
- Why digital detoxes are critical for your teen's physical and mental wellbeing

When: 6-7:30pm 27th June
Where: Online

The webinar is free but you need to book!

Strengthening Children and Teens Against Anxiety

An evidence-based workshop by renowned psychologist Karen Young

What could our children do if they knew in their hearts they were brave enough? All children and teens are capable of their very own versions of greatness. For too many though, anxiety will shut down their capacity to discover their potential - but it doesn't have to be this way. This transformational session will provide the essential information and strategies to help all parents and carers support children and adolescents to build courage and resilience, uncover their strengths, and take anxiety back to small enough. We will discuss ways to nurture the skills and qualities that will strengthen all children for life. Participants will learn:

- a new, empowering way for children, teens, and adults to think about anxiety, and how to use this to manage anxiety;
- taking the 'anxiety out of anxiety';
- how to build courage, resilience, and confidence in children and teens with anxiety;
- proven, practical ways to calm and strengthen an anxious brain;
- the power of parents to move children towards brave behaviour, and how to do this when anxiety is in the way;
- how to respond to anxiety in the moment to make way for calm and courage;
- how children can switch on the relaxation response;
- the different ways anxiety can manifest, and what to do;
- how to build the mindset that will strengthen against anxiety and make way for brave behaviour;
- how to build the solid neural foundations of resilience in all children;
- why new behaviours take time, why old responses can feel tough to change, and the simple explanation for children and teens that can build resilience and grit.

Because we know our children are mighty. Now to make sure they know it too.

Online workshop 23rd June at 10am. To register click here.
