

YEAR 6 CAMP

Operation Wilderness

NEWSLETTER

What a spectacular camp!!

We reported for duty to our Commanding Officers to hand in our weapons (pocket knives) and drugs (Asthma puffers) then assembled for our orders that would take us on Operation Wilderness. We were entrusted with a special mission from Prime Minister Scott Morrison to rescue soldiers who had fallen behind enemy lines in the Mornington area. We stood to attention and pledged to bring these soldiers home.

We engaged in a number of manoeuvres throughout our three-day stay including; rafting, low rope activities, crate climbing and survival skills at shelter building. Our preparations through reading texts like Robinson Crusoe and Hatchet provided us with a number of useful skills.

Our evenings extended to games, braving the flying fox in the dark, listening to hideously scary ghost stories and of course the hunting party to find food for the platoon.

We learnt discipline, faced our fears, had loads of fun and best of all rescued and brought home all four lost soldiers. Our mission was a success!

We had done our country, our families and ourselves proud. It was an awesome experience that none of us wanted to end.

Many thanks to our platoon leaders; Commander Cogan and Drill Sergeants Gould, Sheedy, Dahlstrom and Gunnell without whose military skill and knowledge we may not have been so successful.

ANZAC Day Services

Hospital Visit - Years K-1

FROM THE PRINCIPAL'S DESK

Our school has once again done a wonderful job of recognising the significance of ANZAC Day to all Australians.

We had seventeen students join me for the march through Bunbury on the actual day and all students and staff showed their respect at our school service on Thursday May 2. I would like to thank Mrs Cogan for organising this event and commend the senior students who conducted the service on doing a magnificent job.

Year 5 and 6 students enjoyed participating in our annual Winter Carnival on Friday May 3 and hopefully, some have since joined teams to play winter sports. This event ran very smoothly again thanks largely to Mrs Sheedy's great organisation. Mrs Sheedy is continuing to promote participation in team sport by entering and coaching two girls AFL teams in an after-school carnival being held at Kelly Park over four weeks on Tuesdays between 4.00pm and 5.00pm. Having watched last week's games I can report that the girls loved the experience and got better and better as the game continued.

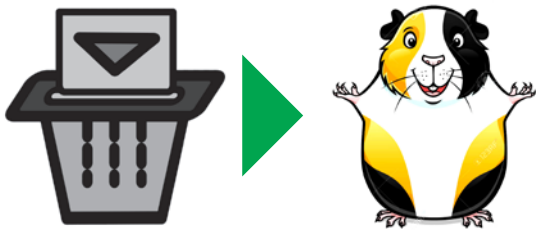

Thanks to the generous support of one of our families both the Pre Primary 3 roof and our sea container have received much-needed maintenance work. Doug Fimister from Solacoat has

repaired these surfaces and coated them with a solar guard coating. This will assist in keeping PP3 cooler in summer and our sea container is now weatherproof and much more useful as a storage space. This work was completed at a heavily discounted price for which we are very grateful.

There is more work being done around the school at present as we have received State Government funding for external painting. We currently have painters on site and this will likely continue for the remainder of this term. The painters will be working with us to minimise disruption to our daily operations. Being 52 years old the school will benefit greatly from a facelift of this nature.

I will be beginning a period of long service leave from this Friday May 17. I will return on the first day of third term and during my absence, Mrs Gemma Knight will be Principal. Mrs Rebecca Smedley will increase her Deputy Principal duties from one day each week to three (Tuesday to Thursday) and Mrs Kaye Cogan will be Deputy Principal on Mondays and Fridays. We are fortunate to have such experienced, capable people in our school to ensure continued smooth operations.

ADAM ROAD PRIMARY SCHOOL IS A RECYCLING SCHOOL

As part of the recycling program, Room 11 collects and rehomes the shredded paper from the office and classroom shredders. It makes great bedding for small creatures such as rabbits, guinea pigs and rats. Once it is used, it can be put into the green waste bin to be collected and composted. We sometimes have a surplus of shredded paper and would love to find a home for it.

If you have little creatures at home that would love a comfortable bed of shredded paper, call into Room 11 and grab a bag!

Xavier won the 2.1km School Challenge Run representing Adam Road Primary School.

2020 ENROLMENTS ARE NOW OPEN

UPCOMING EVENTS

Afternoon Tea with the P&C

We will be hosting a number of casual meet and greet afternoons during the year. You don't need to be an active member of the P&C to attend, all are welcome. It's a chance to come and get to know your P&C members in a casual setting. Just bring a picnic blanket, something yummy to eat, and come and meet some new friends while the kids have a play.

When: Friday 17 May from 3 pm onwards.

Where: The playground near the school oval.

We can't wait to see you there!

NEXT P&C MEETING

Date: Friday 31 May 2019

Time: 2.00 pm

Venue: Room 16

Please follow us on our Facebook page **Adam Road Primary P & C Association Inc.**

GET TO KNOW YOUR P&C

"My name is Veronica and I am the President of the Adam Road Primary School P&C. I have been involved with the P&C since 2017 and last year I took on the role of the Secretary. I have two children who are in year 2 and pre-primary. I became involved in the P&C as I wanted to be involved in my children's education and have a say in what happens within the school environment. I work as a town planner and have good and bad days trying to find the balance."

Favourite food: Thai veggie stir fry with tofu and cashews and Oreos (separately).

First concert: Bobby Brown.

First language: Burmese.

Our annual School Book Fair is being held this term in week 5 – Monday 27 May to Thursday 30 May in the School Library

Students may come with their classes to preview the Book Fair during Monday 27 May and Tuesday 28 May. Parents and family members are welcome to come to look and purchase books from the fair any time from 8am to 3.30pm Monday through to Thursday. Students may come before and after school to purchase books.

Book Fair provides a wonderful opportunity to purchase good quality books at very reasonable prices. It is a great chance to make purchases to be put away for future presents. Book Fair is the only fund raising venture that our school library holds. We hope to see you there. Last year we received almost \$1500 worth of new books for the library.

Our school is looking for volunteers to help us hold an incredible Book Fair!

The Scholastic Book Fair will be at our school Week 5 - 27 May to 30 May 2019.

If you have some time to help with the Book Fair, please complete the form below and circle the areas where you would like to help out. Please return the form to me in the Library. Alternatively phone or email me to let me know if you can help.

Sincerely,

Mrs Taylor, Book Fair Coordinator

Adam Road OSHClub: Before and After School Care

Program Update

We hope all the special women out there had a lovely Mother's Day and got spoilt by their loved ones because you all deserve it!

Over the last couple of weeks, we have been making some gorgeous Mother's Day presents and cards. We made jewellery boxes, photo frames, framed messages, teapot cards, fridge magnets, flower pot cards, pop up cards and heaps more.

This week we are going to learn about Ramadan by doing positive messages and good deed challenges and make some colourful crafts too!

All About Us:

- We provide care for your children before and after school right here at Adam Road Primary in room 14.
- Ever have those running late mornings? No Stress! We provide an assortment of healthy nutritional breakfast options.
- Your children can choose from a variety of planned games/crafts/experiences that are set up, or they can choose from the variety of resources in our room or go outside for physical games and play.
- We provide the opportunity (and encourage) children to complete homework or practise their reading/writing, staff are available to assist if needed.
- We provide a healthy nutritional snack for afternoon tea.

If this all sounds great then jump onto www.oshclub.com.au and click register to create an enrolment or come in and see us for some more information!

Real Kids in an Unreal World:
Building Resilience & Self
Esteem in Today's Children
(10 Resilience Building Blocks)

JULY 31, 2019 - 6-8PM

Bunbury Regional Entertainment Centre

About Bunbury Regional YouthCARE

YouthCare employs chaplains in public schools throughout the region. Chaplains deal with a wide range of important family and peer relationship issues.

Issues include alcohol, drugs, self image, sexuality, bullying, academic performance and self-harm.

They are an integral and complementary part of the student services team.

As well as mentoring students, they are involved in varied programs such as:

- The School Volunteer Program
- Choose Respect Bunbury
- Breakfast Clubs

* This event is a fundraiser to support the organisation's vital contribution to local schools.

PRESENTER: Commonly known as the "queen of common sense", Maggie Dent has become one of Australia's favourite parenting authors and educators, with a particular interest in the early years, adolescence and resilience. She is a passionate, positive voice for children of all ages.

TOPIC: Are you worried, confused or concerned about parenting in today's chaotic world? Children need to have certain basic experiences to build the competencies that will help them manage life - the good, the bad and the ugly. Maggie has developed a common-sense, practical model of 10 building blocks that will reassure parents that what we have always known to be important in the early years of a child's life is still important. This seminar will offer you practical, common-sense ideas and strategies to make small changes in your home or school. which will make a big difference to your children's cognitive, physical, psychological, emotional and social health later in life.
