

# KING'S COTTAGE EXCURSION

On Monday 21 May 2018, Year Ones from Adam Road Primary caught a bus to King's Cottage in Bunbury to see an old house and learn about the way people lived in the "old days". Everyone learnt something. Tyler thought the old saws were amazing, Claire liked the old brush, comb and makeup and Lily found out that the people didn't smile in the old photos because their teeth were often rotten! Everyone loved washing the socks and hanging them up on the old clothes line. Of course, the outdoor toilet was quite a novelty especially since there was no flushing water! Thanks to the volunteers at King's Cottage. It was an interesting visit.

# MOTHER'S DAY

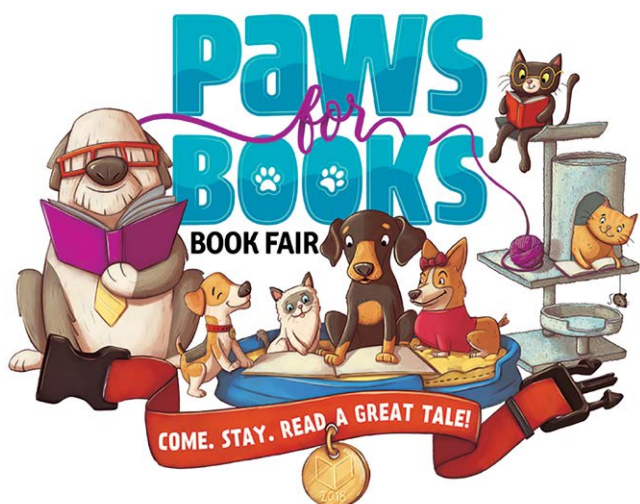

Pre Primary 1 and 2 held a celebration to show our appreciation for our Mums and Nannas. We had lots of fun participating in a variety of activities. Nails were painted (even Mr Asser's), cakes were decorated, hands massaged, bracelets were made and fun photos using various props were taken at the photo booth. After a song, presents were distributed and then we all enjoyed our afternoon tea.

# BOOK FAIR

**OUR ANNUAL BOOK FAIR IS BEING HELD NEXT WEEK IN THE LIBRARY – MONDAY 28 MAY TO THURSDAY 31 MAY, 8.00AM TO 3.30PM**

Book Fair provides a wonderful opportunity to purchase good quality books at very reasonable prices. It is an exciting event that engages children and promotes literacy, and a great chance to make purchases to be put away for future gifts.

Parents and family members are welcome to come to look and purchase books from the fair any time between 8.00am to 3.30pm Monday through to Thursday. Students may come before and after school to purchase books. Purchases may be made using cash, cheque to Scholastic Book Fairs and EFTPOS.

Book Fair is the only fund raising venture that our school library holds - every book sold at the Book Fair earns free books for our school; we hope to see you there.

If you have some time and would like to help with our Book Fair, please contact Mrs Taylor in the library.

## FROM THE PRINCIPAL'S DESK

**It is always pleasing to receive positive feedback regarding work being done at our school. Many of our students, supported by a number of parent helpers in the art room, participated in the Scrap Battle Art Challenge.**

These sculptures were recently on display at the Stirling Art Centre. One parent who visited this display sent me the following message:

*"Last Sunday my family and I attended the Eco Markets at the Stirling Arts Centre, and I want you all to know that we should give a huge clap firstly to our students who entered into the Scrap Battle Competition, and secondly to our awesome art teacher Helen! All the entries from all schools were on display and I reckon 80% of it was by Adam Rd students! It was fantastic to see!"*

The Centre Circle has become a new learning centre at our school. There are so many things that can be done with a 100 square grid, so it is great to see students using this to help with both literacy and numeracy skill development. Using this space allows a whole body and multi-sensory approach to learning.

The cross country events for both school and interschool are coming up this term so now is a good time to be doing a bit of extra running. As we all know regular exercise is a great life-long habit to develop.

GUY ASSER  
PRINCIPAL

**We are fortunate that for most of the year we have a very high percentage of students who wear our school uniform every day, and it looks great. Wearing the uniform shows pride and respect in our school and creates a sense of team and belonging to our school. With the cooler weather we are seeing more students not wearing the uniform which is disappointing. The uniform shop has a good stock of new and second hand uniforms so please take advantage of this and send your children to school wearing our school uniform.**

## HEALTH SERVICES PARENT SURVEY

Help the Department of Health to improve school-aged health services. Do you have a child aged between three and 18? Child and Adolescent Community Health and WA Country Health Service are reviewing the community health services provided to school-aged children and across Western Australia. You are invited to complete a short survey to help them understand what is important to you, what is working well and what could be made better. For more information and to complete the survey, visit [healthywa.wa.gov.au/School-health-services](http://healthywa.wa.gov.au/School-health-services). The survey closes on Friday 8 June.

**Bring your used household batteries to the office for recycling and receive a Faction token!**

## ADAM ROAD PRIMARY SCHOOL IS A RECYCLING SCHOOL

As part of the recycling program, Room 11 collects and rehomes the shredded paper from the office and classroom shredders. It makes great bedding for small creatures such as rabbits, guinea pigs and rats. Once it is used, it can be put into the green waste bin to be collected and composted. We sometimes have a surplus of shredded paper and would love to find a home for it.

***If you have little creatures at home that would love a comfortable bed of shredded paper, call into Room 11 and grab a bag!***

# GIVE A DAMN GIVE A CAN

SPECIAL COLLECTION DAY  
TUESDAY  
MAY 29

Take your donations to your class - the class donating the most cans on this day wins a prize!  
Students also receive a faction token for every item donated to this worthy cause.

# 2019 ENROLMENTS ARE NOW OPEN
