

BOOK FAIR

NEWSLETTER

Our annual Book Fair is being held this week in the library from 8.00am to 3.30pm and concludes on Thursday 30 May.

Book Fair provides a wonderful opportunity to purchase good quality books at very reasonable prices. It is an exciting event that engages children and promotes literacy, and a great chance to make purchases to be put away for future gifts.

Parents and family members are welcome to come to look and purchase books from the fair any time between 8.00am to 3.30pm. Students may come before and after school to purchase books. Purchases may be made using cash, cheque to Scholastic Book Fairs and EFTPOS.

Book Fair is the only fundraising venture that our school library holds - every book sold at the Book Fair earns free books for our school. We hope to see you there.

National Simultaneous Storytime

Mr Ashworth read to the students of Adam Road Primary School, joining over 1,085,587 participants across Australia and New Zealand reading *Alpacas with Maracas*, the biggest National Simultaneous Storytime ever!

National Simultaneous Storytime is held annually by the Australian Library and Information Association. Every year a picture book, written and illustrated by an Australian author and illustrator, is read in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country. Now in its 19th successful year, it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy, using an Australian children's book that explores age-appropriate themes, and addresses key learning areas of the National Curriculum for Kindergarten to Year 6.

FROM THE PRINCIPAL'S DESK

I would like to start by welcoming Naomi Henderer, our Aboriginal and Islander Education Officer (AIEO) who will be joining us each Friday this term. Naomi is looking forward to being involved in our community and is a welcome addition to our staff.

A huge thank you to the families that contributed to our Give a Damn Give a Can collection. We managed to collect over 450 food items to support others in need. Congratulations to the students in Room 19 who brought in the highest number of cans with a total of 84.

Well done to all Year 3 and Year 5 students who recently participated in NAPLAN testing. Despite an initial nation-wide technical disruption on the first day of testing, we managed to complete all required tests successfully online, a first at our school.

Thank you to the teachers involved in preparing their students with the necessary skills to sit these tests online.

If you haven't had a chance yet this week, pop into the library between 8am -3:30pm to have a look at the wonderful display of books for this year's Book Fair. Thank you to Mrs Taylor for organising this fantastic event and a big thank you to our community members who have volunteered to assist during Book Fair.

Our Faction Cross Country will be held this Thursday for children in Years 3-6. All students will participate, earning points toward their faction for being involved. We will commence with the Year 3 events at 1:00pm, concluding with medal presentations near the end of the day. Thank you to Mrs Sheedy for organising this event.

GEMMA KNIGHT
PRINCIPAL – ACTING

ABORIGINAL AND ISLANDER EDUCATION OFFICER

Hi my name is Naomi Henderer and I've been an Aboriginal and Islander Education Officer for over 10 years. I am very passionate about working with and helping to support students and families across all backgrounds. I will be at Adam Road Primary every Friday until the end of this term.

2020 ENROLMENTS ARE NOW OPEN

If your child is starting Kindergarten in 2020 (born between 1 July 2015 and 30 June 2016) or if they're changing schools to Adam Road Primary School (enrolling in Years PP to 6), applications for enrolments are now being taken at the school office. Please present at the time of application; your child's birth certificate and your child's Immunisation History Statement (visit the Department of Health for instructions on how to obtain this statement).

CLOSING DATE FOR ALL ENROLMENTS IS FRIDAY 26 JULY.

ADAM ROAD PRIMARY SCHOOL IS A RECYCLING SCHOOL

As part of the recycling program, Room 11 collects and rehomes the shredded paper from the office and classroom shredders. It makes great bedding for small creatures such as rabbits, guinea pigs and rats. Once it is used, it can be put into the green waste bin to be collected and composted. We sometimes have a surplus of shredded paper and would love to find a home for it.

If you have little creatures at home that would love a comfortable bed of shredded paper, call into Room 11 and grab a bag!

Thank you to everyone who came to our first Casual Friday Meet & Greet on the 17 May. We had a really fantastic turnout, and it was wonderful to have the chance to get to know some new faces in a relaxed and informal setting.

Keep an eye out in the newsletter, and on the P&C Facebook page for future Meet & Greet sessions.

SEEKING A VOLUNTEER

School Banking Co-ordinator

Did you know that our school is involved in the Commonwealth Bank School Banking program? School Banking is a fun, interactive and engaging way for young children to learn about money and develop good savings habits. Children who deposit money into their accounts through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards. School Banking is also a great fundraiser for our school.

You may have seen our lovely School Banking Co-ordinators Jayne and Jennipher sitting at the table near the uniform shop on Wednesday mornings collecting the students' hard-earned pocket money for banking. Jayne is unable to carry on with this position and we would love to give someone new an opportunity to take on this role. If you are looking for a way to assist with the P&C and school in general, this is a great opportunity for you to be involved. It takes less than two hours a week and can be flexible to your needs. Training will be provided.

If you would like more information, please see Jayne or Jennipher on Wednesday mornings or contact Veronica on 0419 950 406.

Please consider this even if you are only able to commit for a short time. Many hands make light work.

GET TO KNOW YOUR P&C

"My name is Phillipa and I am the Vice President of the Adam Road Primary School P&C. This is the first year I have been involved with the P&C, so I am still learning the ropes. I have four children, three in high school, and one here at Adam Road in year 5. I became involved in the P&C so that I could give something back to a school that I have loved having my children at. I work here at Adam Road in Kindergarten part-time, and I also lecture at TAFE.

I am a Dance Mum, personal Taxi driver for the kids, and in my rare spare time love to escape into a good book."

Favourite food: Anything I haven't prepared myself.

First Job: Running a gym Creche.

Number of Countries Visited: 15
(Wish I had time to travel now!).

NEXT P&C MEETING

There has been a time change for the next P&C meeting due to a clash with Assembly.

Date: Friday 31 May 2019

Time: 9.00am | Venue: Room 16

All are welcome, we look forward to seeing you there.

Please follow us on our Facebook page **Adam Road Primary P & C Association Inc.**

WOOLWORTHS EARN AND LEARN IS BACK IN 2019

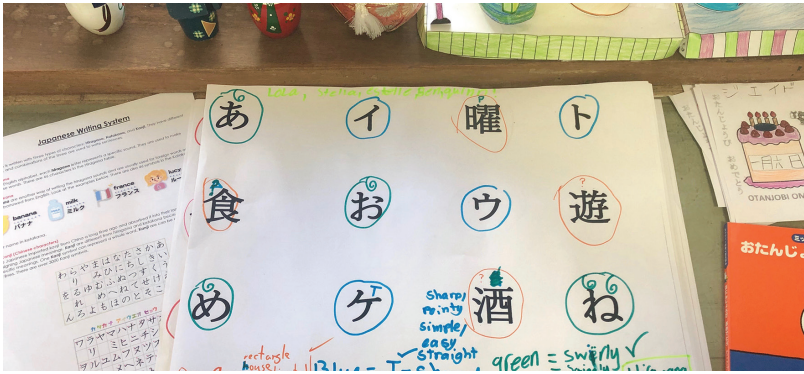

Get ready
for Earn
& Learn

We are excited to be taking part once again the 2019 Woolworths Earn & Learn program. During the previous campaign, we were able to purchase some great resources with the points we earned, thanks to you. Please drop your stickers into the front office.

What's been happening in Japanese?

JAPANESE WRITING

Students have been introduced to the three different writing systems in Japanese – Hiragana, Katakana and Kanji. Through an inquiry lesson, students were able to identify the characters of each script. Students will start learning Hiragana characters this term and will soon be able to write their names in the Katakana script and numbers in the Kanji.

JAPANESE FESTIVAL - CHILDREN'S DAY

On 5 May Japan celebrated the annual Children's Day Festival – Kodomo no Hi. In the past the festival was to celebrate the health of young boys. These days it has become more widely known as Children's Day wishing good health to all children. During the festival, Koi Nobori are flown – Carp Streamers. The black streamer represents the Father, the red the Mother and the blue the eldest son. Also Kabuto or warrior helmets are displayed as a sign of strength and prosperity.

Students in the Japanese classes made their own version of the Koi Nobori and made origami warrior helmets.

Adam Road OSHClub: Before and After School Care

Program Update

Hello Adam Road Families!

We are half way through term 2 and have been enjoying learning about and completing Ramadan activities. During Ramadan people focus on doing good deeds for others, one of our children suggested a compliment game which we played last week and was a huge hit! We all had paper stuck to our back and walked around until the music stopped then wrote a meaningful compliment on the back of the person closest to us. It was incredible to see so many uplifting and kind words written about each other! Children have also been marking their name off on our Ramadan Good Deeds poster, showing much empathy and care for others!

This week we are **hoping to join in at the free hockey clinic down on the oval** and learn some new skills! We have had several families asking if we could take their children to this while they are booked in. If you would like your children to join in but can't take them yourself just call, message or pop in and see us to see how we can help!

All About Us:

- We are a before and after school care program here at Adam Road in room 14.
- Your children can choose from a variety of planned games/crafts/experiences that are set up, or they can choose from the wide range of resources in our room or go outside for physical games and play.
- We provide the opportunity (and encourage) children to complete homework or practise their reading/writing, Darcie and I can sit and help if they like.
- Every morning and afternoon we provide a healthy and nutritional breakfast and an afternoon tea snack.

If this all sounds great then jump onto www.oshclub.com.au and click register to create an enrolment or come in and see us for some more information!

Your OSHClub Staff
Darcie & Rhiannon!

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.

Bunbury Regional YouthCARE Council
presents

MAGGIE DENT

Real Kids in an Unreal World:
Building Resilience & Self
Esteem in Today's Children
(10 Resilience Building Blocks)

JULY 31, 2019 - 6-8PM

Bunbury Regional Entertainment Centre

About Bunbury Regional YouthCARE

YouthCare employs chaplains in public schools throughout the region. Chaplains deal with a wide range of important family and peer relationship issues.

Issues include alcohol, drugs, self image, sexuality, bullying, academic performance and self-harm.

They are an integral and complementary part of the student services team.

As well as mentoring students, they are involved in varied programs such as:

- The School Volunteer Program
- Choose Respect Bunbury
- Breakfast Clubs

* This event is a fundraiser to support the organisation's vital contribution to local schools.

PRESENTER: Commonly known as the "queen of common sense", Maggie Dent has become one of Australia's favourite parenting authors and educators, with a particular interest in the early years, adolescence and resilience. She is a passionate, positive voice for children of all ages.

TOPIC: Are you worried, confused or concerned about parenting in today's chaotic world? Children need to have certain basic experiences to build the competencies that will help them manage life - the good, the bad and the ugly. Maggie has developed a common-sense, practical model of 10 building blocks that will reassure parents that what we have always known to be important in the early years of a child's life is still important. This seminar will offer you practical, common-sense ideas and strategies to make small changes in your home or school, which will make a big difference to your children's cognitive, physical, psychological, emotional and social health later in life.

Tickets: \$30

On sale from April 1, 2019 via

www.bunburyentertainment.com

Time: 6pm-8pm
