New Faction Banners

From the Principal's Desk

Despite very trying conditions we had a fantastic Faction Carnival last Friday. A lot of extra work goes into organising an event of this scale so I would like to acknowledge the many staff members who contributed to the success of the day.

As always Mr and Mrs Sheedy do the lion's share and provide an amazing range of activities for students of all ages to enjoy. One of the success indicators of a day like this is the manner in which our students participate and we can all be very proud of the enthusiastic, happy and supportive attitude displayed by Adam Road PS students on Friday.

A new feature of our carnival this year were the faction banners

used at each of the faction bays. Our Art Specialist, Mrs Beyboer, ran a competition for students to submit designs for the new banners. A judging panel then selected the best ideas and Mrs Beyboer worked with one of our parents and graphic designer, Clare Holmes, to produce the wonderful banners used on Friday.

Mrs Sheedy will now be preparing our interschool team to participate in carnival days on Tuesday 7 November at Bunbury PS and Friday 10 November at South West Athletics Stadium.

I would encourage anyone interested to attend our annual Open Board Meeting on Monday 6 November in the Conference Room in our Administration Building.

SECONDARY SCHOOLING SCHOLARSHIPS FOR 2018 - NOW OPEN FOR APPLICATIONS

The Department of Education coordinates a range of student scholarships, grants and prizes to meet some of the costs of secondary schooling. Scholarships for 2018 are now open for applications.

Eligibility criteria and information on how to apply can be found at: <http://www.education.wa.edu.au/home/detcms/navigation/education/secondary-school/additional-learning-opportunities/scholarships/> An online submission process is used for lodging most applications. Instructions are available on the website.

While many of the Department's scholarships support upper secondary studies, the two below target a broader range of applicants and I encourage you to consider whether students currently completing Year 6, 7, 8 or 9 this year at your school would be eligible:

- James and Rose Coombe Scholarships for rural and remote students. A number of these scholarships are available each year. The funding amount starts at \$1000.
- Maud Zervos Education Grants for students with a parent/caregiver who has a disability (a spinal injury with resulting paralysis or a significant limb loss or limb paralysis). A 'rollover clause' in these grants makes funding available for further years of study, subject to satisfactory attendance and progress. The funding amount starts at \$750 in lower secondary and rises to \$1000 for upper secondary studies.

Applications close at 5.30pm Thursday 9 December 2017.

For further information, they can email the scholarship coordinators at PathwaysandTransitions.Scholarships@education.wa.edu.au or call 94026304 or 6206 2010

BRING HOME A BIG BROTHER OR SISTER AND BRING FRENCH, ITALIAN OR SPANISH CULTURE TO LIFE!

Why not volunteer to host an international student from France, Italy or Spain next year? We have a small group of delightful students coming to Australia for 11 weeks to immerse in local Australian culture, experience our High schools, sports, environment and lifestyle. All these international students are around 15 or 16 years old, speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. They are looking forward to joining an Australian family for a short term cultural immersion stay. It's fun and interesting to help these young people achieve their Australian dream. If you would like to know more, please email your interest to info@icm-education.com.au or call Georgie or Anja on 1800 500 501, or visit our website www.icm-education.com.
