FROM THE PRINCIPAL'S DESK

It was a great delight to enjoy our Faction Carnival events last week. I love the enthusiasm and joy that the whole community brings to carnival week. I would like to thank everyone who ensured that the week was successful and well organised. If you have any feedback about carnival days, please feel free to let us know.

On Friday was World Teacher's Day. I would like to acknowledge the commitment and dedication of the educators at our school. This year, we of course have had many disruptions and changes to our learning environment. However our staff have always met these challenges with a solutions focused approach, with

the wellbeing of our students at the heart of all of our decisions. On behalf of our Adam Road community, I would like to thank our teachers (and wider educator staff in our school) for their extraordinary contributions each day.

Over the coming weeks we have our P&C Colour Run on November 18th. Our P&C is another group in our school who works tirelessly for our school. Over this year, the P&C have been extremely active in their fundraising efforts to contribute funds towards an improved playground. We thank them for their drive and energy, and look forward to this fundraising culminating in the Colour Run.

Stay well,
Cathy Allen

If you are aware that your child/ren will not be attending Adam Road Primary School in 2023 please advise the office as soon as possible.

YEAR 4 PEAC RESULTS

Congratulations to our Year 4 students who participated in the PEAC assessment that took place earlier this year. Placements into PEAC, based on testing, are highly competitive. The families of eligible students have been notified.

Students from Room 2 were excited to learn about and borrow Non Fiction books during their recent visit to the library.

NATIONAL WATER WEEK

National Water Week was celebrated across Australia from 17 to 23 October. Students at Adam Road Primary School took part in activities to raise awareness about water conservation.

Students who participated in a colouring competition were awarded prizes kindly donated by Aqwest.

YEARS 1 AND 2 PROTECTIVE BEHAVIOURS

Throughout Term 3 and 4 the Year 1 and 2 students have been coming to Room 17 once a fortnight for a lesson on Protective Behaviours. This program is an Internationally acclaimed personal safety and child abuse prevention program endorsed by the Department of Education in Western Australia.

The Protective Behaviours program is based on two themes;

“We all have the right to feel safe at all times” and **“We can talk with someone about anything, no matter what it is”**.

The ten main topics are:

1. Feelings
2. Early Warning Signs
3. Safety Continuum and Problem Solving
4. Secrets
5. Networks
6. Persistence Expectation

7. Body Awareness and Ownership and Private and Public
8. Personal Space and Safe and Unsafe Touch
9. Assertiveness
10. Theme and Program Reinforcement

We are currently working through the main topics of 7, 8, 9 and 10. This includes learning the different parts of the body and using the correct anatomical names for private parts. Also, learning about the concept that students are in charge of who they give physical affection to, for example a kiss, cuddle or high five when greeting family. They will also be developing the ability to say ‘No’ and go tell if they feel unsafe!

If your kids want to talk to you about these topics, we encourage you to discuss the themes and the ten main topics.

If you have any questions or concerns, please come see the school.
