FROM THE PRINCIPAL'S DESK

Thanks to our hardworking P&C who have organised a number of very successful fundraisers this year we are now in a position to start looking at design ideas for new playground equipment.

With P&C and school funds we will be able to make a good start on replacing the playground equipment in the main play area near the oval. We will form a group comprising both P&C and staff representatives to determine the best type of equipment for our students to enjoy and challenge themselves.

At Friday's assembly this week we will be presenting medallions and certificates for Science, Music and Japanese. There is a medallion for the champion of each year level and a certificate

of effort and achievement for each class. Year 6 champions will receive their medallions at the Graduation Assembly on Wednesday 15 December. Since we have a range of graduation awards that cover all aspects of school life for our Year 6 students we have decided not to present class awards this year at our final assembly.

Please support us by reminding children that all normal school expectations particularly regarding appropriate behaviour remain in place right up to the end of the year. We are promoting this message to ensure we all finish the year on a good note and enjoy our summer break.

The end of the school year is fast approaching so it's now time to return all your library books. If you are unable to find your library books please see or phone Mrs Taylor in the library.

P&C NEWS

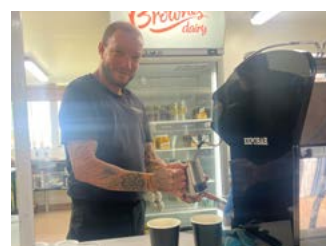

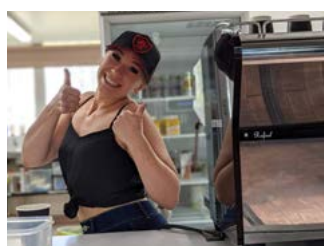

Term 4 has shaped up to be a busy one on all fronts with our events falling all in a row!

The faction carnival Sausage Sizzle and Coffee stall was a huge success selling 250+ sausages, 150+ coffees and raising over \$1000 towards our playground! The canteen made a huge number of delicious lunches and all of our volunteers and staff worked very hard throughout the day.

Silly sock day saw some wonderful and colourful sock choices throughout the school.

The Lego competition is well under way with the Junior section finished and judged with help from Mr Asser and the Senior section finishing up this Friday. Our winners will be announced at the assembly this week. It has been amazing seeing the students creations and we hope it gives the future engineers their time to shine! Thank you to Mrs Taylor for supporting the P&C with this event creating a wonderful space for students to view the creations over the fortnight. Thank you also to the staff visiting the library with their classes for ensuring everyone was respectful.

Our final event is the Outdoor Cinema screening of The Grinch on Friday December 3. With special performances by the band and choirs, a jolly visitor and lots of yummy treats, including hot popcorn and Griffos Icecream truck, it's sure to be a fantastic family event. We hope to see lots of families there enjoying a summer evening as part of the school community.

SW LANGUAGES SHOWCASE QUIZ DAY

On Friday 5 November Newton Moore SHS – Lead Languages School- hosted the first South West Languages Showcase Quiz Day for primary students of Japanese.

Five local primary schools that teach Japanese attended the event. Each school had a team of two Year 4s, two Year 5s and two Year 6s. As well as the quiz questions which were cultural and language based, students also enjoyed a special Okinawan Drumming demonstration and performance, played a traditional Japanese game called Hanetsuki and got to take home a showbag full of Japanese goodies.

Two special guests travelled from the Hyogo Cultural Centre in Perth, Deputy Director Melissa Luyke and Director Mr Onishi. Together they adjudicated the event and presented awards.

The selection process was difficult as there were many

students who deserved to represent Adam Road Primary. But after much deliberation and discussion with other teachers the following students were congratulated on their selection.

Year 6 = Lauren

Year 6 = Jessica

Year 5 = Makayla

Year 5 = Abner

Year 4 = Flynn

Year 4 = Chase

I am delighted to announce that Adam Road PS came from behind and finished in second place on the day. Students were very proud to receive their Silver Medal. The team was also praised for their impeccable manners, team work, encouragement and inclusiveness. They represented Adam Road Primary School with great honour and pride.

We want to hear from you!!

If you have any suggestions or feedback, please let us know! We want this service to represent our amazing families with the things they want their children to enjoy and achieve.

How can we make this service better for you or your child?

Flick us a text, an email, pass on a note, give us a call or pop in and see us to let us know what we can do for YOUR family!

Do you have a special skill you would like to share with us? We are looking for people who might be interested in sharing their culture or special talent such as playing a musical instrument or speaking a second language. Come in and talk to us in room 14 if this sounds like you.

OSHClub News

During the past few weeks we have had our new coordinator start which sadly meant saying goodbye to Tyler; who has gone on to start her new role at another OSH. During this time, we have explored various experiences ranging from creating our own resources for our sensory area to exploring types of diversity, health and wellbeing.

Our favourite achievements during weeks 4, 5 and 6 included creating our own new outdoor game by combining elements from “Farmer Sam” and “All Over Red Rover”. The children were very proud of their creation and have been actively engaging in it during indoor/outdoor play. Speaking of being proud another experience that the children have been exceptionally proud of is creating the Christmas cards to go in our shoe boxes. If you have any toiletries, snacks, Christmas items or shoes boxes at home that you are willing to donate for a great cause or are interested in learning more please come and see us in Room 14.

Some other exciting things we have done have included carefully crafting our own homemade pom-poms which we used in various experiences such as beginning to make our own pom-pom mat for our sensory area, filling up a page in our sensory book and even finishing off week 5 with a pom-pom fight! The children seemed to enjoy having a consistent tabletop experience available and responded well to mixing it with the various follow up activities.

BUNBURY MEN OF SONG

Bunbury Men of Song is excited to announce the provision of up to five scholarships, for new members in 2022, to Bunbury Men of Song Boys Ensemble. The scholarships seek boys with an interest in choral singing and will provide an exceptional opportunity to improve their vocal technique and perform in a wide variety of settings, including with the BMOS men's choir. Interested boys are invited to apply, and the successful applicants will be selected following a short interview and audition process.

If your son is keen to take this opportunity to be part of a renowned choir, please contact the Bunbury Men of Song Secretary Dr Chris Lloyd secretary@bunburymenofsong.com.au, for an application pack.

Applications for scholarships close Friday 10th December 5pm. It is proposed that the auditions will be held the week following the close of applications, and will be conducted by the Musical Director Mr Ian Mills.

iDareDream supports Grandparents raising their grandchild/ren by helping with the costs of extra-curricular and recreational activities as well as other member benefits.

Membership is \$10 per family per year. To join us visit our website: www.idaredream.org.au or email info@idaredream.org.au and our Facebook page to see our activities and events.

We look forward to hearing from you!
