# FROM THE PRINCIPAL'S DESK

**It has been great to welcome parents and carers back at recent school events. We have had our annual Book Week Parade and Faction Carnivals with parents and carers turning up in big numbers to enjoy the occasions.**

Whilst we still need to be mindful of adhering to existing COVID Guidelines we have been very fortunate in Western Australia and it is great to be pretty much back to normal. We will continue to monitor the situation and provide the information needed for all future events.

Despite a hot day and Mrs Sheedy recovering from a back operation we were still able to conduct another great Faction Carnival last Friday. Miss George has been a great PE teacher in Mrs Sheedy's absence and many staff worked hard to make this day a success. Our students were the stars of the day supporting each other and competing fiercely for each faction point. Congratulations to Mar who had a very successful day, winning both shields.

We are introducing the 3 bin system at school that households use in Bunbury. All students from PP to Year 6 participated in sessions run by the City of Bunbury staff explaining exactly how to best use each of the bins. The My 3 Bins app from the City of Bunbury is a

great app and many staff benefitted from the incursion as much as the students! I encourage you to download this free app.

Speaking of bins we now also have a Containers for Change bin on site each morning between 8:15 and 8:30am. Please use this bin for all containers that now attract a refund. Money raised goes to the local charity Strong Angels who, beginning this year, will be providing a scholarship for one of our Year 6 students to assist with costs next year at high school. Please support this worthy cause.

On Tuesday this week we welcomed families and Kindergarten students starting school for the first time next year. One of our teachers, Mrs Sonia Jones, has organised an extensive transition to kindy program over the next five weeks. This will provide all sorts of information about our school and the agencies that are available to support families with a vast range of services.

At the same time as we were welcoming next year's Kindy students our Year 6 students headed off to camp on Tuesday under the watchful eye of Commander Cogan, Generals Gould and Elward and senior officers Dahlstrom and Loxton. I'm sure a fantastic time will be had by all, with memories made that will last a lifetime.

# BOOK WEEK

# BETTER BEGINNINGS

## BETTER BEGINNINGS STORY TIME PRESENTATION

As part of our Book Week celebrations Mr Asser and Mrs Smedley read to kindergarten students and families at our Better Beginnings Family Literacy morning. Better Beginnings, sponsored by the State Library of WA promotes and encourages the wonderful and very important experience of sharing books and stories. Better Beginnings supports parents in reading to children so that they build the early literacy skills they need to become good readers and succeed at school. Each kindergarten student received a special gift of a pack which included a picture book, library bag and various activities to do with their parents and carers. By participating in the programme Adam Road Primary School students are able to access a special range of fantastic books and resources available at local Public Libraries.

For more information, free resources and activities on the Better Beginning Program you can go to <http://www.better-beginnings.com.au/>

## MEDIA CONSENT

A note went home to all students recently detailing updates to our media consent form. Parents please notify the office if you wish to change your original consent preference.

# BOOK WEEK LIBRARY COMPETITIONS

Congratulations to all the students for their creative entries in the Book Week colouring-in competition. All entrants received a book prize, purchased using the rewards received through our participation in Book Club.

Well done to Taylor and Olivia who were the correct entries drawn in the Book in a Bucket Competition, they also received a special book prize.

## beacon

Download the free app today

Telethon Kids Institute and Bankwest are proud to deliver Beacon - a cyber-safety educational app designed to keep parents and carers up to date with trusted, tailored information, to help keep their kids' safe online.

Beacon is designed specifically for parents as a personalised, one-stop-shop for reliable information about the online world.

Beacon will shine a light on the online world with:

- Articles and videos backed by the latest research.
- Tailored content and alerts, unique to your family needs.
- Create your own family agreement.
- Help and services that are available to you and your family.

## THE RIGHT ANGLE

I have three dogs of different ages.  
If I add their ages together I get 15.  
If I multiply their ages together I get 45.  
How old are my dogs?

### Bad Maths Joke:

**Q:** Why wasn't the geometry teacher at school?

**A:** Because she sprained her angle!!

Take some photos while you're working it out. If you email them to [adamroad.ps@education.wa.edu.au](mailto:adamroad.ps@education.wa.edu.au), you may make it into the next newsletter!

## P&C NEWS

**There was a big increase in activity in the canteen as Mrs Roukens and her fantastic volunteers filled orders for students and their families for the Faction Carnival. Thank you for catering for all the kids and their families on Friday.**

Pyjama Day last term was also a great success. Thank you to everyone who participated and helped us to raise \$416.

It is getting to that time of year when volunteers change over for next year. We are always looking for help in the canteen and the uniform shop. Please contact Mrs Rouken, Ms Veart or email us if you would like to help.

We will also be looking for new members including committee members to run the P&C next year. If you are interested in being part of the great work that the P&C does please get in touch with any existing member or email us.

At this stage we have nothing else planned for the rest of the term. If you would like to do something through the P&C, your chance to present your idea is at the next meeting. You can also vote if you sign up as a member.

We are trying Zoom for the Term 4 P&C meeting on Wednesday the 18 November at 6.30pm. Please email any agenda items in the form of a motion to us by Saturday 7 November 2020.

Our email address is [adamroad.ps.pc@hotmail.com](mailto:adamroad.ps.pc@hotmail.com).

## A message from Rhiannon & Phillipa

### Why choose OSHClub?

- At OSHClub, children don't play video games or use iPads, we get them outside in the sunshine with nature getting active.
- With a huge range of things to do here like group games, board games, construction, dramatic play, arts & crafts, sports and heaps more, they will always have something to do!
- It's a great way for children to build their confidence and make new friends in a safe and supportive family like environment.
- Booking your children into OSHClub means you can do the grocery shopping kid free! Or make a start on the dreaded Christmas shopping..
- We incorporate meaningful experiences so children can build life skills like washing their own dishes, supporting them to be independent and resilient and encouraging kindness and empathy.
- We want each of our families to feel cherish, loved and supported so we will always do what we can to support each and every one of you!

## OSHClub News

We have been so busy at OSHClub so far this term! We finished our LIFE SIZE paper mache BFG who now sits and reads with us in our reading corner. We celebrated Book Week with some fun crafts and activities and of course reading. We helped finish off children's costumes Friday morning so they were parade ready! We have a brand new dramatic play area and we have turned it into a **HAUNTED HOUSE** filled with all things spooky!
