FROM THE PRINCIPAL'S DESK

Last Friday was a fantastic celebration of Book Week and a great school community event. I have never seen so many students dressed in book character costumes. This made our parade a vibrant, colourful celebration as classes bounced around our basketball courts in step with Mrs Smith's lively selection of music.

What made the event so special was the large number of parents, family and friends who came to watch the parade. Even better was that most stayed and covered our bank area for our biggest ever family picnic. Thanks to everyone involved and to those who

attended to make this such a special day for our students.

As previously mentioned our school had a School Review conducted on Wednesday 25 August. A Director from School Accountability and a Principal from another school spent the day talking to staff, parents and students to really get the feel for what we do at Adam Road. Whilst the final report is still being compiled it was gratifying on the day to receive very positive feedback about the programs we are offering and the results our students are achieving. We will post the final report on our website once it has been received.

BETTER BEGINNINGS

BETTER BEGINNINGS PARENT AND FAMILY STORY TIME PRESENTATION

The Better Beginnings program provides reading packs to encourage families to read, talk, sing, write and play with their children every day. By doing these five simple things each day, your child will be ready to learn to read and write by the time they start school. Mr Asser and Mrs Knight read to an excited audience of Kindergarten students and their families. Sponsored by the State Library of WA, each Kindergarten student received a special gift pack which included a picture book and library bag. For more information and great online activities, you can go to <http://www.better-beginnings.com.au>

BEAR OR BULL?

As part of our learning about financial mathematics, students from Room 21 engaged in the Stock Market. We had \$50,000 to spend on shares from a variety of companies.

Each day we had to buy and sell shares in multiples of 100. Our decisions were determined by events that had taken place in the market overnight. Daily newspapers informed us of these different events. We learnt that a Bull Market meant that prices were increasing and this was the best time to sell shares and a Bear Market meant prices were dropping and this was the best time to buy shares.

The game lasted a week and was really exciting as we wondered whether our shares would go up or down.

Congratulations to Briella who won the prize for the student with the most valuable portfolio at the end of the week (\$58191.27).

Elisha was runner up (\$57208.42) and Arman came third (\$56154.27).

Financial mathematics is fun!!

2021 STEM FAIR

Science at Newton Moore Senior High School has never been more exciting than in the month of August.

We held our annual STEM Fair with many Bunbury primary schools, along with industry and universities in attendance. Students from the Science Specialist Programs, Science Horizons and Science Engineering hosted the event, showcasing their skills and knowledge whilst building further engagement in STEM and Science to the younger students and community across the day.

JAPANESE

PAPER CRANE CHALLENGE – BRAG BLOOMING EXHIBITION

Adam Road Primary School students have been fortunate to be invited to make paper cranes to be included in the annual Blooming Exhibition at the Bunbury Regional Art Gallery. The exhibition coincides with the annual South West Festival of Japan and will run from Friday 3 September to Sunday 5 September.

Thank you to all students who had the patience to make the difficult origami paper crane and a special mention to Jade and her Mum who made a bag full of cranes! Amazing! ありがとう ございます。

Head down to BRAG this weekend to check out our awesome work.

SOUTH WEST FESTIVAL OF JAPAN STARTING THIS WEEKEND September 3 – 11.

We might not be able to go to Japan, but Japan is coming to us thanks to the South West Festival of Japan. Join me to celebrate all things Japan – Taiko Drumming, Japanese Sweet Making Workshop, Manga Art Workshop for Kids, Japanese Soap Making, Japanese Koi Kites, Japanese food, Japanese Films, Hanami Party and more. Check out the FB page to keep up to date with all the latest.

A message from Phillipa

It's Time to Say Goodbye. I would like to take this opportunity to let all my wonderful Adam Road OSHClub families know that I will be finishing my time with OSHClub in a few weeks. My last day will be Friday 10 September, so if you would like to pop in and say goodbye, I'd love to see you all before I go. We are currently advertising for a new Qualified Coordinator, so if you know someone who would be perfect for this position send them our way. We'd love to hear from them.

Tell us what you think

If you have any suggestions or feedback, please let us know! We want this service to represent our amazing families with the things they want their children to enjoy and achieve.

Flick us a text, an email, pass on a note, give us a call or pop in and see us to let us know what we can do for YOUR family!

OSHClub News

For the last few weeks, we have been having a wonderful time at OSHClub. We were all very excited to explore the themes presented to us by Science Week. The children all had the opportunity to brainstorm ideas to incorporate into our program including learning about natural Australian habitats, getting familiar with the use of different equipment such as magnify glasses, binoculars and stethoscopes. We explored the use of our new Light Box and experimented with creating colourful designs with a range of manmade and natural materials. For World Music Wednesday we listened to the sounds of nature, creating a calm and relaxing atmosphere in which to play and learn.

Last week we were all about Book Week with everyone sharing and exploring their favourite books and book characters. We linked the theme to our Mental Health Monday mantra of "I Enjoy Learning". We made a communal OSHClub book filled with all the ideas and topics we love to learn about that will be available for the children to read in our book corner. We also had fun making a giant OSHClub book filled with drawings and pictures of us which will be on display in our room.

Over the coming weeks, we are planning to focus on developing our OSHClub Sustainability club. The children will be planning and organising our program and brainstorming activities we can do to promote sustainability at our service.

We are still collecting bottles to recycle for cash. All money raised this term will be donated to the Dolphin Discovery Centre. You can drop off any clean bottles to room 14, your assistance is greatly appreciated.

COMMUNITY NOTICES

How was your child's ear health journey?

Join us for a morning tea to share your experiences as a parent in the South West with a child that has had ear, nose or throat problems.

Has your child received any medical and/or therapy service for ear, nose or throat concerns?

If so, we want to hear from you. We are holding an informal community discussion in Bunbury to hear about your experiences and expectations when your child is receiving support for ear, nose or throat issues.

This will be a relaxed way for you to feedback about your child's health journey. We'd love to see you there.

If you are unable to attend this event but would still like to share your experiences, please contact us on 9795 2830 to arrange an alternative option.

*To ensure the safety of our staff and the community we will be adhering to strict safety measures including cleaning processes, physical distancing and health screening before attending (if attending in person).
