

LET THE GAMES BEGIN!

NEWSLETTER

Year 5/6 students from Rooms 21, 19 and 18 descended on Olympia for the 2021 Ancient Greek Olympic Games. What a spectacular it was!

Costumes and colour and music filled the arena!

We gathered at the Symposium to declare open the games with the lighting of the torch and reciting of the Olympic Oath. Teams from Sparta, Athens and Olympia competed in gruelling sports like the Parthenon Pull, Hoplite racing and Flight of the Gods. Congratulations to Athens on their fine win!

The arts were not neglected with painting on plates and the creation of the Miasma eye on river stones. We danced to music from Zorba and laughed and sang, whilst cheering on our teams.

Then the event everyone had been waiting for ... the feasting; fruits from the Gods, olives, breads and an outstanding array of delectable culinary treats spread across the tables ... and of course more music accompanied the fun!

The final event of the day was the traditional plate smashing! Exhausted and elated the competitors and spectators headed home to their villages to relive the stories and events of the day.

FROM THE PRINCIPAL'S DESK

School terms are always busy and filled with challenges but that is what keeps us vibrant and on our toes. As another term draws to a close there is much we can look back on and be proud of our achievements.

This term included an external review so our achievements have also been acknowledged by independent reviewers which is great confirmation of the good work we do at our school and the great results our students achieve.

The parent/teacher interviews we introduced this year were very well received which was demonstrated by the high numbers that attended. It was also wonderful to be able to return to popular activities like our Book Week Parade and Family Picnic which

was the biggest we have ever had. We are now looking forward to Adam Road's Got Talent on Thursday 23 September. This is always a popular event and displays the extensive range of talent our students have.

At this week's P&C Meeting I announced that the school will be contributing a minimum of \$20,000 to the playground fund the P&C have been working so hard to grow this year. OSH Club have also donated \$3000 so please continue to support all P&C fundraisers as we are now looking for ideas for our new playground.

I hope everyone enjoys the upcoming school break and hopefully some nice Spring weather.

GUY ASSER
PRINCIPAL

NO PUBERTY BLUES HERE!

Students from Rooms 21 and 18 have been learning about puberty over the last 6 weeks.

This included how the male and female reproductive systems work, menstruation and conception and pregnancy. Mrs Cogan provided the facts and we discussed all the issues that we were interested in or concerned about. The unit of work concluded with a giant quiz held in Room 14. We formed groups of four and answered questions about puberty. There were terrific prizes and everyone had a wonderful time. We are now armed with knowledge and understanding of how our bodies are about to change and we feel excited to commence the rollercoaster ride of puberty!

Congratulations to James, Dwayne, Arman and Cooper who took out the major prize!

BRAG BLOOMING EXHIBITION

I hope you got down to Bunbury Regional Art Gallery last weekend to see our beautiful paper cranes in the annual Blooming Art Exhibition. Our cranes were used as part of a large centre display, suspended amongst glass baubles of flowers.

A big thankyou to all the students who helped me make the cranes and a special mention to Brooke and her mum who patiently folded a bag full of paper cranes.

Adam Road also got a special mention in an article in the Bunbury Mail.

A number of Year 4 classes have been selected to take part in the Progress in International Reading Study (PIRLS). PIRLS is an important educational research project investigating student achievement in reading. More than 50 countries, including Australia, are participating in this study. PIRLS is an important activity to keep us, as parents and citizens, informed about how our students in Australia are performing in comparison to their peers in other countries and to compare programs of study and teaching practices. We will be able to obtain current national and international information which will help improve the teaching and learning in reading in our country.

Selected students will do an assessment in reading literacy and complete a questionnaire about their experiences at home and school. There is no need for students to study specifically for the assessment as it will not affect individual students' grades or progress in school. A small gift will be given to participating students. Individual student profiles will also be provided to participating students towards the middle of 2022.

All data will be kept strictly confidential and no individual student or school will be identified in published data or reports.

- We always try our best
 - We aim high and challenge ourselves
 - We focus and stay on task

A message from Phillipa, Tyler & Amber

Welcome to our NEW STAFF!

We would like to welcome Tyler Beaglehole to our OSHClub Team here at Adam Road. Tyler will be taking over the position of Coordinator. She is very excited to get to know all the children and families and is looking forward to working with you.

Tell us what you think

If you have any suggestions or feedback, please let us know! We want this service to represent our amazing families with the things they want their children to enjoy and achieve.

Flick us a text, an email, pass on a note, give us a call or pop in and see us to let us know what we can do for YOUR family!

OSHClub News

Over the last week we said our goodbyes to Phillipa and have welcomed Tyler to our team. All the children and families have been taking the time to get to know Tyler and have made the start of her time at Adam Road OSHClub a positive one.

One of the activities we did recently was to turn ourselves into Disney characters using photographs of our faces and drawing character bodies. The children enjoyed this activity and came up with some fantastic designs for their bodies. We have created a wall display with the artwork to help brighten up our room.

We have been exploring some different afternoon tea options this week. The children have had an exciting time trying the different foods. These have included wheat-free pasta with sauce, nachos with salsa and sour cream and veggie dippers, waffle cones with yoghurt and fruit dippers, fruit kebabs and cheese and crackers. At Adam Road OSHClub we encourage the children to contribute to the menu planning each week. All our afternoon teas cater for a range of dietary needs including gluten free and dairy free options and we find that the children are getting adventurous with the foods they are willing to try at OSH that they might not try at home. If you have any menu ideas you would like to share with us you can fill in a parent/child suggestion form on the sign in desk in room 14, or just pop in and mention it to either Amber or Tyler.

As the weather is starting to warm up, we have been teaching the children about UV radiation and the importance of wearing sun cream and a hat during outside play while at OSHClub. Now is the perfect time to check that your child has a hat in their bag ready to wear in the afternoon. Although we do have spare hats for the children to borrow, we prefer that they wear their own as this reduces the likelihood of headlice in the hotter months.

Coordinator: Phillipa Woods/Tyler Beaglehole

Educator: Amber Jones

Our Service Mobile: 0421 705 749

OSHClub Accounts: 1300 395 735

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.

WA Country Health Services

How was your child's ear health journey?

Join us for a morning tea to share your experiences as a parent in the South West with a child that has had ear, nose or throat problems.

Has your child received any medical and/or therapy service for ear, nose or throat concerns? If so, we want to hear from you. We are holding an informal community discussion in Bunbury to hear about your experiences and expectations when your child is receiving support for ear, nose or throat issues.

This will be a relaxed way for you to feedback about your child's health journey. We'd love to see you there.

If you are unable to attend this event but would still like to share your experiences, please contact us on 9795 2830 to arrange an alternative option.

*To ensure the safety of our staff and the community we will be adhering to strict safety measures including clearing processes, physical distancing and health screening before attending (if attending in person).
