THE RIGHT ANGLE

Great work!

HAVE A GO AT THIS ONE:

The Socks

Cathy has twelve blue socks and twelve red socks in her drawer. In complete darkness, and without looking, how many socks must she take from her drawer in order to be sure to get a pair that match?

Don't forget to send your photos to adamroad.ps@education.wa.edu.au

You may make it into the next newsletter!

EXTENSION:

She also has twelve yellow socks. Does this change the answer?

Now Cathy decides that she absolutely must have two blue socks to match her school shirt. Does this change the answer again?

BAD MATHS JOKE:

Q: Have you heard the latest statistics joke?

A: Probably...

FROM THE PRINCIPAL'S DESK

We like to recognise champions in different fields each term. At this Friday's assembly, I will present Champion HaSS Medallions to each of the six year-level winners.

I will also present certificates to students who have shown the most improvement in HaSS in their class. This adds to the Maths Awards in first term and the Writing Awards in second term. Next term we will present Science Awards and also medallions to champions and runners up at our Faction Athletics Carnival.

One of our highly anticipated events each year is Adam Road's Got Talent which will be conducted on the afternoon of Tuesday 24 September this year.

Mrs Smith has watched many auditions and had the difficult job of selecting finalists for us to enjoy. As always there will be a wide

range of talents on show including dance, singing, acrobatics and comedy from both individuals and groups.

Our Annual Open Night is scheduled for Wednesday 25 September, 5.30pm to 6.30pm. This provides a great opportunity for you to come into our classrooms and see first-hand what your child(ren) have been learning at school.

This event should be led by the students. They will have selected some particular pieces of work that they want to share with you, please discuss these with your child. There is also the opportunity for you to question them about other things they have been learning and to look through workbooks. This is not a suitable time to question the teacher about your child's progress but if you wish to do this please make an appointment with them at a time that suits both of you.

I AM WOLF - ROOM 21

While reading 'White Fang' by Jack London, the students in Room 21 learned about personification. They imagined that they were a wolf and wrote some fantastic pieces.

The Hunt

As the glow of the sun gently kisses the delicate jewels of snow, my brothers and sisters and I awaken to a gentle quiet 'yawn'. I prance to a flowing stream taking a drink of water. It's been six weeks since we wolves have eaten a decent meal. The call of the Alpha startles us and we all come to a silence. We stand in formation waiting for the Alpha's order. We knew what to do. We were going on a hunting trip. The Alpha led us through the deep snow on the search for at least a bison herd.

We set out on our journey and came to some tracks. Looking at them we saw there were at least 12 animals. I sniffed the foot prints and picked up the scent and headed east. At last we found the herd of bison. We planned to make them stampede in order to single out the weakest. We startled them but they held their ground facing us. So we all stood like this until the bison broke into a stampede. We forced them to run till they could no more. They slowed down and I took the chance and launched myself at the slowest bison. Blood dripped on the snow. We feasted together ... the pack!

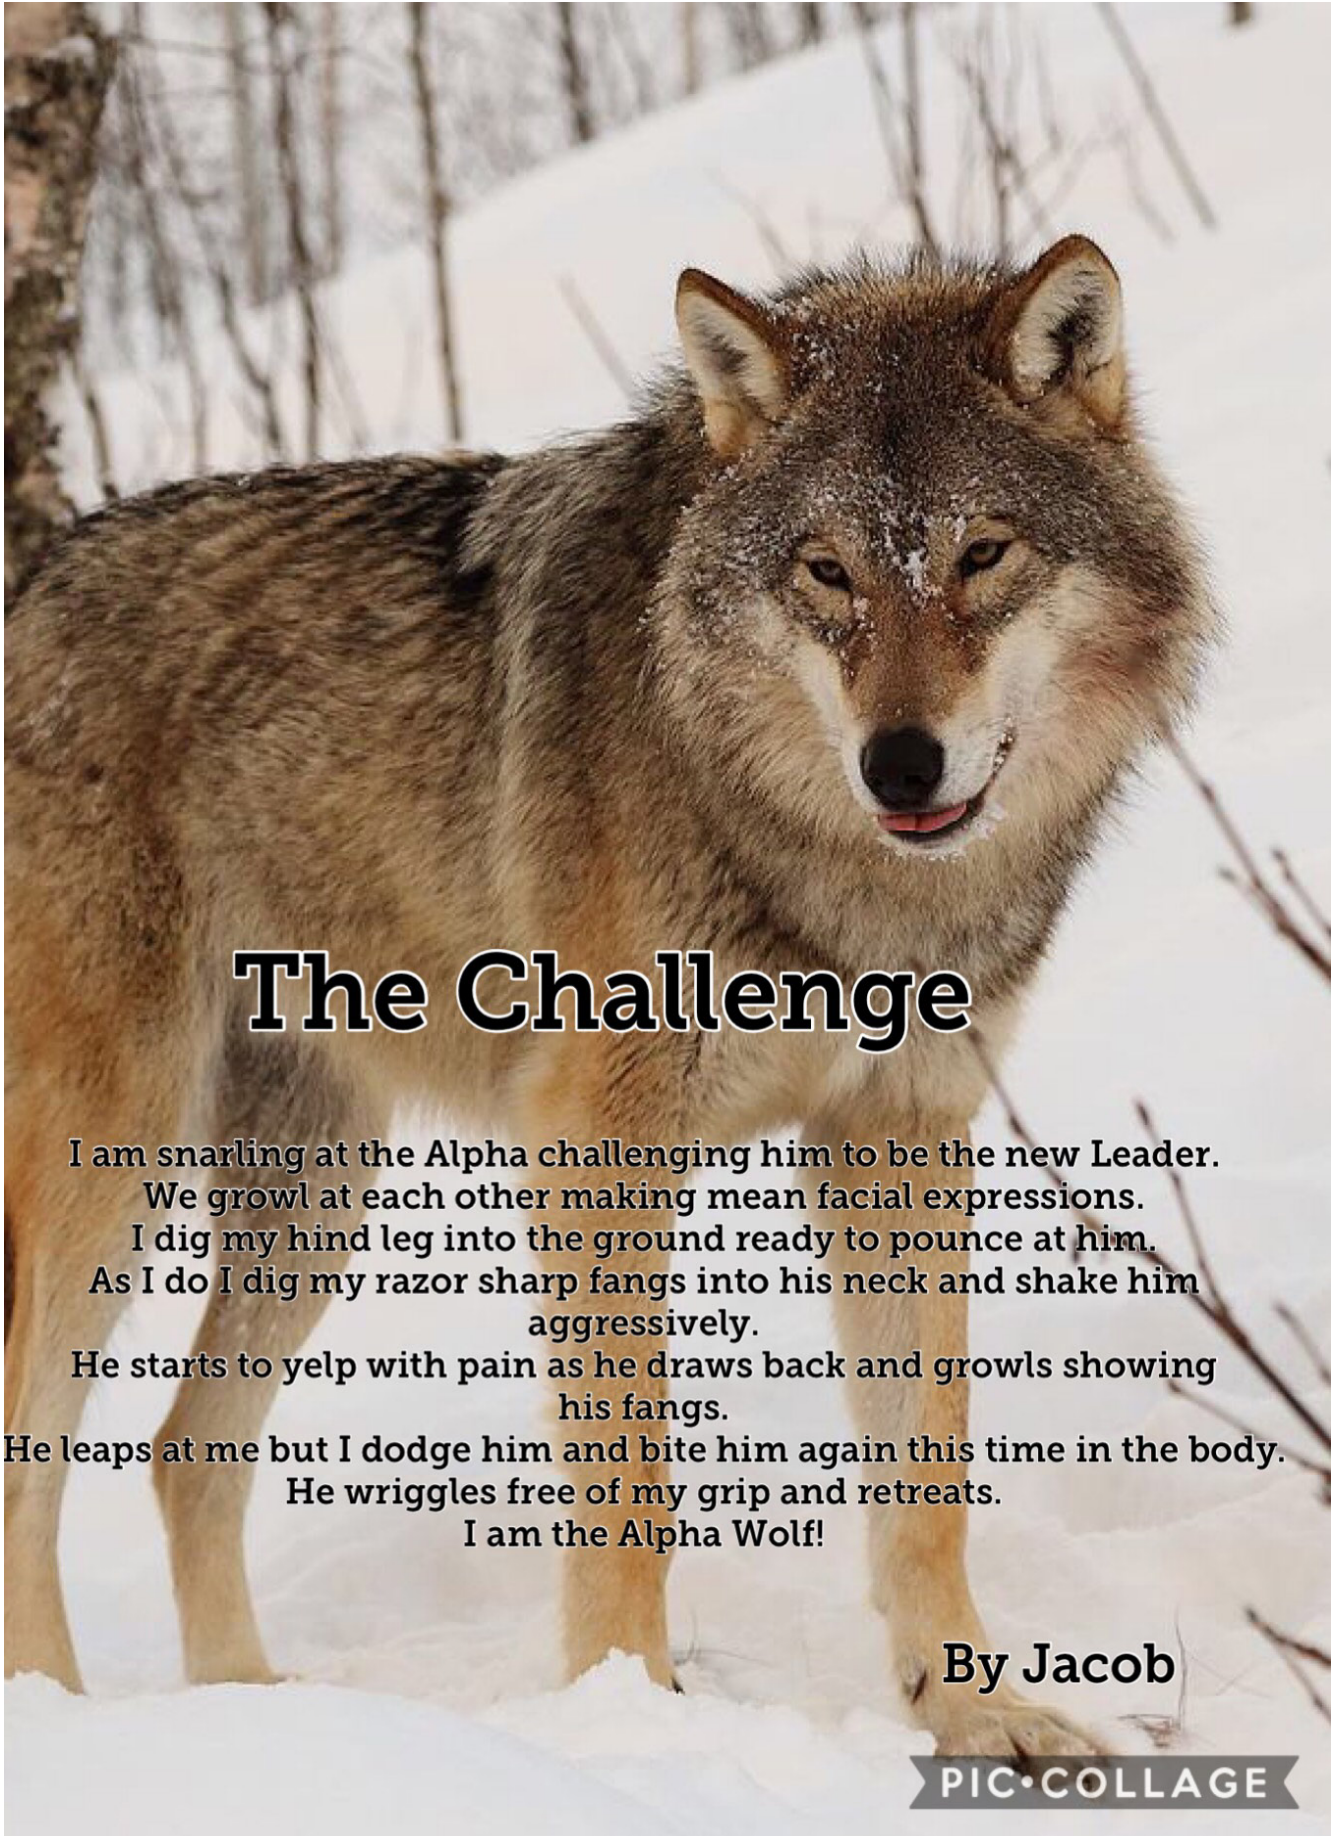

I am wolf!

I AM WOLF - ROOM 21

The Challenge

I am snarling at the Alpha challenging him to be the new Leader.

We growl at each other making mean facial expressions.

I dig my hind leg into the ground ready to pounce at him.

As I do I dig my razor sharp fangs into his neck and shake him aggressively.

He starts to yelp with pain as he draws back and growls showing his fangs.

He leaps at me but I dodge him and bite him again this time in the body.

He wriggles free of my grip and retreats.

I am the Alpha Wolf!

BASIC FACT GAMES

Rooms 3 and 12 joined forces to play some card games helping the children to gain fluency with basic facts to 10 and 20. The children supported each other in their learning and enjoyed the opportunity to learn in a different setting.

SUPERKIDS - SUPERHEROES

On Wednesday 3 September SUPERKIDS – SUPERHEROES came to visit some of our students.

The Superkids - Superheroes travel from Bridgetown, journeying throughout the south west finishing at Perth Children's Hospital on motorised scooters to promote awareness and raise funds to fight all forms of childhood cancer. You may have seen them on GWN and other media formats over the past three years. The students had the chance to see the scooters up close, with the opportunity to gain some knowledge about what they are doing and why.

Visit the link below to find out more about the kids we help and the reasons behind their journey.

SCHOOL BANKING RAFFLE

From now until 20 November, for every new student (3 free tickets) and for every deposit made (1 free ticket), you will go into a draw for the wonderful prizes shown.

SEEKING A VOLUNTEER

School Banking Co-ordinator

Did you know that our school is involved in the Commonwealth Bank School Banking program? School Banking is a fun, interactive and engaging way for young children to learn about money and develop good savings habits. Children who deposit money into their accounts through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards. School Banking is also a great fundraiser for our school.

You may have seen our lovely School Banking Co-ordinators Jayne and Jennipher sitting at the table near the uniform shop on Wednesday mornings collecting the students' hard-earned pocket money for banking. Jayne is unable to carry on with this position and we would love to give someone new an opportunity to take on this role. If you are looking for a way to assist with the P&C and school in general, this is a great opportunity for you to be involved. It takes less than two hours a week and can be flexible to your needs. Training will be provided.

If you would like more information, please see Jayne or Jennipher on Wednesday mornings or contact Veronica on 0419 950 406.

Please consider this even if you are only able to commit for a short time. Many hands make light work.

COMMUNITY NOTICES

Teen Triple P Seminars

The Triple P – Positive Parenting Program® knows all parents have different needs. That's why Triple P has many different ways for you to get your parenting help. So you can choose what will suit you and your family best.

Who is this for?

- parents of teenagers

Teen Triple P can help

- build a better relationship with your teenager
- reduce conflict
- keep your teenager safe
- be realistic about parenting
- take care of yourself

Is this you?

Your baby's almost an adult, or at least that's what he or she thinks. So life at home can be a little strained. Maybe your 13-year-old son grunts instead of speaking to you. Or your 14-year-old daughter wants to go to parties with people you don't even know. It's not that you've got a "wild" kid. You'd just like to make sure things don't get out of hand.

What are Teen Triple P Seminars?

Teen Triple P Seminars are for large groups of parents – perhaps 20 or more. They're informal presentations, a little like a public forum.

There are three seminars in the Teen Triple P Seminar series. You can choose to do one, two or all three of them. They deal with the most common parenting issues we all face, such as how to encourage responsible behaviour, improve family relationships, deal with independence or manage problems at school or with friends.

The three seminars are:

- Raising Responsible Teenagers
- Raising Competent Teenagers
- Getting Teenagers Connected

What Happens at a Teen Triple P Seminar?

Each seminar lasts 90 minutes. There's no homework and no follow up. But you'll be given a tip sheet to take home to remind you of the great ideas you've heard. You'll be able to start positive parenting straight away, to get back on track with your teenager – or be ready for what's ahead.
